Junipero Serra Emergency Hospital to Be Saved

The Junipero Serra Hospital will continue to serve Daly City and the North County as an emergency hospital facility, Dr. Alfred A. Marquez, M.D., owner-operator, disclosed this week.

The hospital, which was closed March 18 due to its position on the right-of-way of the new Junipero Serra freeway, will be moved across Junipero Serra boulevard.

The hospital will be located on an extension of Hill street, which connects with San Pedro road.

Dr. Marquez said the hospital will be modernized and staffed 24 hours daily.

Dr. Marquez, on the teaching staff at Mary's Help Hospital, said he would pay the entire cost of the operation. The emergency hospital, he said, would provide emergency service for the North County until the Mary's Help Hospital is built in Daly City in 1965, and possibly after that.

The doctor's plans were hailed with enthusiasm April 8 by Daly City council members, Micheal DeBernardi, mayor pro-tem; Robert St. Clair and Frank Pacelli.

Dr. Marquez said bids have gone out for construction of an extension of Hill street. Work on the street is expected to start within three weeks.

Plans for the project will be submitted to the Daly City planning commission.

"Many people have been happy about this," said the doctor.

A Stanford undergraduate, Dr. Marquez studied physiology and medicine at the University of Lausanne, Switzerland. He studied surgery at the University of Pennsylvania graduate hospital in Philadelphia. He is a graduate of St. Domonic's grammar school and Polytechnic High School in San Francisco.

The Big Leak At Westmoor Is Now Bigger

The leak at Westmoor High School has grown.

With the installation of a more accurate meter, the Industrial Heat Control Company of San Francisco has determined that the daily loss from the water system at the hilltop campus is close to 8,000 gallons of water per 24-hour period, 2,200 gallons greater loss than the original estimate of 5,800 per day, superintendent Ed Morgan stated.

Engineers figured the lost water would fill a room 10 feet high and 10 feet wide daily.

The Industrial Heat Control investigation will be conducted by isolating sections of the plant by closing sections of the school. It is hoped that it will then be possible to determine if there are several leaks or a single break.

Where the 3,000 gallons are going is still unsolved. The thus far presented suggest that the water is either finding its way into a natural spring system and being carried off through natural routes, or that the water is somehow being transferred into another part of the school's water system.

SSF Mayor Wants Economy

South San Francisco Mayor Guido Rozzi has asked that a special study be made to determine the "most orderly development" of the western slopes of the North County valley.

He called for economic expansion through "controlled" development of the unincorporated areas of the North County.

Rozzi said the failure to annex the Westborough subdivision is beginning to cost the taxpayers today.

Rozzi charged that greater taxes would have to be levied against local taxpayers because of the failure of including Westborough in the sewer district.

Rozzi said studies will determine what controls the city may accomplish regarding cost of land acquisition for public schools.

Land Swap Is Proposed for DC, Pacifica

A land swap has been proposed between Daly City and Pacifica. The idea was announced by Pacifica city councilmen.

They propose an exchange of parcels on opposite sides of the Edgemar Freeway and a road to be constructed from Westlake Terrace to Pacific Manor Shopping Center.

Pacifica would get about 32 acres on the north tip of Fairmont subdivision. This is to help straighten the irregular boundary of the city,

Local Teenage C. of C. Starts Job Agency

The Daly City Teenage Chamber of Commerce is starting an employment agency today. This agency will employ boys and girls between the ages of 14 and 18.

Jobs will be for after school and weekends until June 15. During the summer, these young members of the community will be put to work on both part-time and full-time basis, doing almost any type of job. Some of these jobs will be washing cars, mowing lawns, painting, gardening, baby sitting, cleaning basements, etc.

Persons who are in this age group may fill out an application, listing name, address, telephone number, area and job selection, addressed to T. E. A. in care of Saxe Realty Company, 2384 Junipero Serra boulevard, Daly City.

SHOWBOAT TIME — Chef Charles Markarian of Joe's of Westlake gives Mrs. Vincent Baldocchi and Ben Albrecht a sample of the menu to be served on Saturday, May 4, during the Our Lady of Mercy festival, "Showboat Time," on May 2, 3, 4 and 5. Bruno Scatena, owner of Joe's, once again will prepare the terrific dinner, which will be served from 4 to 7 p. m. Tickets may be obtained from Mrs. Baldocchi, PL 6-3141, or from Mr. Albrecht, PL 6-0389. The price is $1.50 for adults and 75 cents for children. Fire Service Day May 4th In Daly City

Fire service day will be observed by Daly City on Saturday, May 4.

This is the one day set aside each year for the people to become acquainted with their fire department.

The Daly City fire department is a proud organization. Proud of its men, trucks, stations and its accomplishments.

Most people living in a city realize that a fire department is a necessity but have no idea the services it renders other than putting out fires. How can your firer department serve you if you are not aware of what we can do for you?

Firemen have planned a demonstration of fire apparatus and equipment in the Westlake Shopping Center parking lot near Penney's department store from 10 a.m. until 2 p.m. There will be firemen on duty there to answer any questions about this equipment or the fire service.

Three fire stations will hold open house from 9 a.m. to 4 p.m.

Come in and look around and ask questions.

Central Station, 151 Lake Merced boulevard.

Station No. 2, 499 Santa Barbara avenue.

Station No. 5, 191 Edgemont drive.

Showboat Festival Opens Tomorrow

Tomorrow will mark the opening of the Our Lady of Mercy festival, "Showboat Time," with a preview for the children in the parish hall at 1:30 p. m.

This year's festival will feature an array of booths, all centered around the "Showboat Time" theme. The committee promises fun and excitement for all.

Pictures above are Bob Hunter, general chairman; Mrs. Frank Kelechava, president of the Westlake Catholic Women, and Charles Wester, president of the Westlake Catholic Men, who are showing their approval of some of the decorations for the festival.

Evening hours on Thursday and Friday are from 7 to 11 o'clock. On Saturday and Sunday, the festivities begin at 1 p. m. and continue until midnight. The parish hall is located at 1 Elmwood drive in Westlake.

On Saturday, May 4, and Sunday, May 5, "Bugs the Clown" will entertain the children from 1 to 4 p. m. The clown is known for his balloons, which he manipulates into the shapes of animals, and then presents them to the children as gifts.

Following the entertainment, a dinner, prepared by Joe's of Westlake, will be served from 4 to 7 p. m. in the parish school. A few tickets for the family dinner are still available, priced at $1.50 for adults and 75 cents for children. The tickets may be obtained from Mrs. Baldocchi, PL 6-3141, or from Ben Albrecht, PL 6-0389.

The public is cordially invited, and remember the dates:

Thursday, May 2—7-11 p. m.

Friday, May 3—7 to 11 p. m.

Saturday, May 4—1 p. m. to midnight.

Sunday, May 5—1 p. m. to midnight.

All proceeds benefit the parish building fund.

Disappointment Shown At Cow Palace Stand

Daly City officials are awaiting an 8 p.m. Thursday deadline to see whether sufficient protests are mustered to defeat the Bayshore City annexation.

If not, the city will set an election. No new protests had been filed prior to Tuesday morning.

Four large firms joined the Cow Palace last week in opposition to the move in a hearing in Daly City, but failed to halt the proceedings.

Registering protests, along with the Cow Palace, were Crown Cork & Seal Co., Inc., J P. Enterprises, Schlage Lock Co., and Equitable Life Assurance Society (S. & W. Co.).

Together they comprise assesed valuation of $539,000, which is less than one-half of the required valuation needed to halt the annexation proceedings.

The Cow Palace board of directors Monday voted 6 to 3 to continue its protest against the proposed annexation. The board requested in the protest that lines be drawn around the Cow Palace and the Cow Palace be excluded from the proposed annexation.

The Cow Palace protest last week brought "howls" from several sources.

Daly City councilmen were dismayed and disappointed. Mayor Joseph Verducci wrote a letter to the board of directors, indicating that "no interference would result on the part of Daly City with the Cow Palace activities."

In respect with the practice of hiring off-duty personnel and deputies of the sheriff of San Mateo County, Verducci stated: "This city in no way wishes to see any change in any such practice . . ."

Harry Ritzmann, Bayshore fire chief, said: "I cannot understand why the management of local industry is opposing the annexation to Daly City when it is the wish of the majority of the residents of this area to annex."

Councilman Robert S. Clair of Daly City slammed the S. & W. Company for its methods of protesting the annexation. St. Clair said he objected to the S. & W. Company having one of its employees solicit protests from Bayshore residents.

Mayor Verducci also wrote the board of directors of the Cow Palace stating that the City of Daly City "would not now, nor in the future, be interested in adding or raising taxes on admission tickets." This was one of the protests of the Cow Palace board of directors.

"In fact," said Verducci, "we are definitely willing to endorse legislation to that effect."

Fire chief J. E. Kennedy of Daly City wrote the Cow Palace board of directors:

"You may be assured of complete fire service with the annexation of the Bayshore City area."

R. A. Petrocchi, chief of police of Daly City, wrote: "We are cognizant of the problems that may arise with vehicular traffic and the policing of events that will be presented on the grounds of the Cow Palace.

"This department will be responsible for the proper supervision of all traffic and police activities. We will endeavor to give you the very best police protection."

Second Vote On Pacifica School Election

The Laguna Salada School Board, faced with a complete shutdown of all new school construction, has called a special election on June 25 to submit to voters for the second time two building propositions which were narrowly defeated on April 16.

Neither the proposal for a $600,000 bond issue nor a six million dollar state loan received the necessary two thirds vote April 16.

Both will be returned to the ballot to provide funds for a large-scale building program for the next several years to cope with constantly increasing student population expansion.

Statistics indicated about 30 per cent of Pacifica's population will be in elementary classes next year. The total is expected to mushroom with addition of Fairmont, Doelger's new subdivision, and other construction.

The June 25 election will be by paper ballot since use of machines will not be practical for only two issues. There will be nine precincts with each Laguna Salada school building being utilized as polling places to save expenses.

The final vote on the April 16 election in Pacifica was bond issue Yes 1,150, No 649. State loan, Yes 1,121; no 557.

HS Youths To Take Part in Local Govt.

The government of Daly City will "topple" next week.

The present regime will be forced to capitulate while 17 students from Jefferson High School and Westmoor High School take over the reins of government.

The occasion will be "Youth in Government Week."

Students, selected from student government and civics classes, will begin the week by attending a city council study session Monday at 7:30 p. m.

They will meet with city officials and department heads, and elect a mayor from five councilmen. The week of May 6-10 youths will attend or participate in operation of departments. They will attend commission meetings.

On May 13, students will attend a luncheon at Val's with city officials, department heads, school superintendent, principals and members of the school board.

Youth in Government Day will be from 2 to 5 p. m. on May 13. The youth council meets at 7:30 p. m. on May 13 for "passage of resolutions or ordinances."

Students include:

Councilmen — Mark Clark, West; Gloria Moore, West; Bob Dumont, Jeff; Toni Matteucci, Jeff; Ray Archilleta, Jeff.

City Clerk — Paula Hirshberg, West.

City Treasurer — Jack Petranker, West.

City Manager — John Cummings, West.

Finance Director — Tony Thomas, West.

City Librarian — Charlotte Corvo, West.

City Engineer — William Willoughby, Jeff.

Building Inspector—Siegunde Carstens, Jeff.

Planning Technician — Veronica Pack, Jeff.

Police Chief — Rey Obligacion, Jeff.

Fire Chief — Tito Torres, West.

Personnel Director—Evelyn Morabe, Jeff.

Director of Recreation — Margaret Jimenez, Jeff.

Hearing on Regulation of Teenage Clubs

A public hearing on possibility of regulating teen night clubs in San Mateo County stems from protests against a Daly City teen-age club, according to Supervisor James Fitzgerald.

A hearing to consider adoption of an ordinance regulating teen dance halls has been scheduled by the county board of supervisors for 2:45 p. m., May 14.

Fitzgerald said he has received many protests against a teen-age club in Columbo Hall on San Pedro avenue, near Daly City.

A permit for the club in Columbo Hall has been granted by the county licensing board to David Reach of Pacifica. It was granted under the general county ordinance regulating dance halls.

Fitzgerald was advised by District Attorney Keith C. Sorenson that the county could not attempt to prohibit teenage night clubs but could adopt special regulations to control them.

The supervisor said he wants to find out whether the county has adequate laws at the present time to keep law and order.

Police Sergeant To Be Honored

Plans for a memorial testimonial for Daly City's police sergeant Ricco Benedetti are presently under way, according to Dan Casentini, of Daly City, chairman of the affair.

Mayor Urges Passage of Highway Bond Issue

The campaign for passage of the June 4 City-County highway bond issue moved into high gear this week with Mayor Joseph Verducci urging Daly City citizens to lend support to "this vital measure."

The mayor is a member of the Greater Highways Committee, an organization of responsible representatives from labor, business, industry, all city governments, and state division of highways.

The committee of 1961 sponsored the comprehensive study of long-range highway needs that resulted in the City-County plan now before the voters.

"Now that the municipal and school elections are out of the way, all our efforts will be directed to this issue which plays such an important part in the future of Daly City and northern San Mateo County," Verducci said.

The three-stage, 30-year highway plan is designed to fill the gaps in highway and street improvements and construction between those projects that will be financed from state and federal funds and by individual cities.

First stage of construction, to be completed by 1970, would be financed under a plan developed by the Governmental Research Council, which includes a 35 million dollar bond issue.

Verducci emphasized the critical nature of the problem.

"Our inadequate road system is strangling industrial growth and compelling a number of established major industries in the county to look elsewhere for plant location," he warned.

Mayor Verducci admitted that "the frightening thing is that, unless the citizens of San Mateo County are fully informed about what the plan will do and the sound economy of its financing, they may vote against the bond issue simply as a reflex action."

"We have already passed the point where we can look only to today," he continued.

Verducci explained that Henry Bostwick, general manager of the San Mateo County Development Association—and the best authority in the county—has called attention to a study he made six years ago which revealed a need for better roads that even then was critical, and today is multiplied many times.

Vacation and Travel Show in Westlake Mall

Westlake Shopping Center's annual Vacation and Travel Show will be held in the Westlake mall Wednesday through Saturday, May 1-4, the Westlake Merchants Association announced yesterday.

The show features the colorful world of travel: places to go, ways to get there, and equipment for swimming, surfing, boating, skin-diving, water skiing, fishing, hunting, golfing, camping, safe traveling—and relaxing once you're there.

Action in the show spotlights Joey Rey, popular golf pro from Harding Park Municipal Golf Course, and a group of top junior golfers who will demonstrate shots in the Westlake mall at 7:30 Friday and 2:30 Saturday, May 3-4.

We Goofed . . . But Good!

The gremlins got into the pictures last week in the Times and Record with disastrous effects.

To try to straighten out the pictures and captions, if you still have last week's paper, it goes like this:

The caption on the front page goes with the picture on the back page of the paper; the caption under that picture goes with a picture we didn't print, but the story is on the sports page.

The caption for the picture on the front page didn't get into the paper, but has been thrown away.

If this doesn't straighten you out, just forget last week.

Art Fair Painting

Mrs. Bernice Huggard of 124 Brooklawn avenue, Daly City, gets painting ready for fifth Westlake Annual Art Fair in the mall of Westlake Shopping Center, to be held May 15 through May 18.

Mrs. Huggard was a double award winner at the last Westlake art fair. This Westlake resident was the first woman to hang pictures in the Tokyo National Art Gallery in Uneo Park, where she exhibited an American interpretation of the famous Buddha in Kama Kura and also a self portrait.

Locally, Mrs. Huggard has studied with Maria von Riddlestien, Joseph Bennett and at the Thomas Leighton School of Art.

Applications are now being taken at Seymour's of Westlake, 311 South Mayfair avenue, the collection point for entries.

Rotary Club Sponsors 'Seat Belt Month'

Mayor Joseph J. Verducci has proclaimed the month of May as "Seat Belt Month" in the City of Daly City.

The mayor made this announcement at the meeting of the Daly City Rotary Club, April 24. Rotary Club President, Vinton Stratton, announced that the Rotary Club would, as a public service project, undertake the sponsorship of "Seat Belt Month" and would promote the use of seat belts through various activities throughout the month.

Principal speaker at the Rotary Club meeting was Dr. William Cappeller, Chairman of the Traffic Safety Committee of the San Francisco Medical Association.

Dr. Cappeller stated that every year there are 40,000 traffic deaths in the United States and over two and one-half million persons injured, 120,000 of which are permanently injured: that this tremendous toll costs upwards of five billion dollars a year.

He stated that 10 per cent of the traffic injuries and fatalities take place in California.

Dr. Cappeller further stated that while there is no substitute for careful driving as a way to eliminate accidents, it has been proven beyond any doubt that we can considerably maximize our chances for survival by the use of seat belts.

It has been proven that seat belts would reduce fatalities by 25 per cent and would reduce the magnitude of injuries by 60 per cent. He said that contrary to public belief, seat belts would increase chances of survival even when the car was in flames or when the car was submerged. He stated that at the present time only 3 per cent of the automobiles in the United States are equipped with seat belts and the time to equip your automobile with seat belts is now.

Dr. Cappeller stated that most people do not realize that the majority of fatal accidents and serious accidents occur within 10 miles of the starting point of travel and that the cars involved are traveling less than 40 miles per hour.

He said that if we realize these facts that statistics indicate that one in every 20 persons will be killed in an auto accident within the next five years, that we would make sure our cars are equipped with seat belts.

He summarized his speech with the comment "Buckle Down and Survive."

The popular police sergeant, who first joined the department in 1928, is due to retire shortly. He is presently the oldest active officer, and to many the most popular in Daly City's history.

The banquet will be held at the newly-decorated "House of Parties" on Hillcrest drive in Daly City.

which now bisects, houses, lots and streets.

Pacifica would cede to Daly City about 66 acres south of Westlake Terrace. Henry Doelger, Inc., owner and developer of the parcels, would be required to construct a road from Westlake Terrace to Pacific Manor Shopping Center.

A large canyon north of the former Globe Wireless property would become the boundary between the two cities.

The plan has yet to receive final approval by the Pacifica council and is to be submitted to Daly City and Doelger Corp. for approval.

On Feb. 16, 1918, New Jersey passed an "anti-loafing" law requiring able-bodied men to be regularly employed.

E. dynamic research sled. The sled will be shown at the Westlake mall on Saturday, May 4. "Launching hours are 11 a. m. through 4 p. m. This will be the first time the sled has been shown in the San Mateo County area. It is being sponsored by the San Francisco chapter of the National Safety Councell in conjunction with Seat Belt Month

Appointed Fire Captain

JOHN ROY is appointed fire captain by Chief Elmer Kennedy.

Fire Chief J. E. Kennedy announced the appointment of fireman John Roy to the position of fire captain in the Daly City fire department this week.

Captain Roy will assume his new duties today at Station No. 2, located at Parkview and Santa Barbara avenues.

Captain Roy successfully passed all portions of the examination with a final score of 81.66 per cent, which placed him first among nine hopeful candidates.

A graduate of Mission High School in San Francisco, Captain Roy is now residing with his wife, Sylvia, and son, Rob, at 178 Morningside drive in Daly City.

He competed with 15 other members of the fire department for the vacant position of fire captain. The written portion of the examination was prepared by the State Personnel Examining Board and was conducted by William Hawley, assistant city manager. The examination was held in the War Memorial building.

The second phase of the examination, an oral interview, was conducted by fire chiefs from two neighboring cities.

William Hawley and Joseph Shultz, personnel board member observed this interview with Chief Kennedy.

City to Get $174,142 for Street Work

Under provisions of Senate Bill 344 (Collier) the city of Daly City would receive $174,142 for street construction and rights of way, Richard Carpenter, executive director and general counsel, League of California Cities, said.

SB 344 would raise about $75 million annually for the first five years to meet growing deficiencies of city streets and county roads.

The measure has passed in the Senate and is awaiting Assembly committee action. It would raise the gasoline tax by one cent and provide new revenue at the ratio of $2 state money to $1 local money.

Proponents claim that enactment of the bill would cost the average motorist only $6 a year, while the alternative method of raising money—by adding to the ad valorem property tax—would cost more.

Carpenter said this city would have to levy an increase in the ad valorem tax by 29 cents to obtain the same amount of revenue under SB 344.

Student Future Business Leaders Win Honors

The South San Francisco chapter of Future Business Leaders of America brought home three awards from a state convention held at the Claremont Hotel in Berkeley on April 19 and 20.

The group was voted the most popular and helpful group at the convention.

Kathy Gardner won third place, Northern Section, in a test on parliamentary procedure that was conducted on a state-wide basis.

A recently formed combo won first place in a talent contest. Included in the combo were Jeff Jones, Bill Gerst, Mike Foley, Gerald Dellamore and Bill Gorham, singer.

The club also was given recognition for a Hawaiian program presented at the banquet, where 500 were in attendance. The banquet was in the Straw Monkey room, decorated with straw mats and palm leaves.

Attending were Karla Muller, president of the South San Francisco chapter; Bob Bryant, talent show coordinator; Betty White, Sue Ann Steuemeyer, Betty Schlaepfer, Mary Griffin, Chris Harr, Pat Casey, Pat Dehnhardt, Janis Buelet, Margaret Dodson, Jo Ann Garcia, Arnold Harrington, Allan Horne, Paul Hamel, Linda Stoppoloni, Mary Pronos, Virginia Church and Doreen Watt.

Accompanying the group were Anthony Peligrino, Miss Martha Schifferlee, William Hunter and Alfred Zubler, business teachers.

Salvation Army Week, May 19-26

National Salvation Army Week will be observed in San Francisco from May 19 to May 26, according to an announcement by the territorial commander, Lt. Commissioner Glenn Ryan.

Seat Belts Demonstration In Westlake

A dramatic demonstration of the safe stopping power of seat belts will be given in the Westlake Shopping Center on Saturday, May 4, as part of the Westlake Vacation and Travel Show — May 1 to 4.

A deceleration sled of the American Safety Equipment Corporation will be in action. The sled, running on tracks, makes an entire run in three-fifths of a second, reaching a peak speed of 335 miles an hour before stopping in a distance of eight inches.

This sled can be instrumental to test loads on the belts used, as wel! as on dummy or human riders.

PROCLAMATION — Mayor Joseph Verducci, with City Attorney Paul Hupf and Dr. William Cappeller, announced Safety Seat Belt Month. Dr. Cappeller, read of the auto safety committee of the San Francisco Medical Society, in an address to the Daly City Rotary Club, made these telling points: More than 40 per cent of auto fatalities involve alcohol; occur within ten miles of the victim's home; occur at speeds less than 40 mph. Abstinence, absence, and arrestment by seat belts, the three A's, are the three best available answers.

Life's Questions Talk At Temple Baptist

In discussing the human problems last week, the group wished to turn to the question: "Are we finding answers to life's questions?" The search for vocation, for real meaning in life, for sharing of vital concerns, will continue at the evening service at the Temple Baptist Church, 3355 19th street, near Stonestown. The service begins Sunday at 7:30 p. m.

Leading in the discussion are the pastors of the church, the Rev. Magnus C. Berglund, and the Rev. William C. Rogers. They will be joined by Ray W. Bowman, pre-ministerial student, who announced his engagement to Miss Myrna Roberts last week.

In the context of essential human needs, and understanding the human dilemma, we can ask if individuals are finding personal answers to the problems they face, and real meaning in life. The leaders will seek to speak to these concerns, and lead discussion about them. Everyone is welcome.

Two Daly Citians Recieve Awards

Two Daly City residents, Shogo Hattori and Joseph Fillo, Jr., recently were honored by Safeway Stores, Inc., their employer, for outstanding service and courtesy to customers. Both are employed in San Francisco stores—Fillo as assistant manager at 24th and Potrero street, and Hattori, as produce department manager, on outer Mission street.

The two men and four other Safeway employees were presented with merchandise prizes and special badges designating them as members of the Safeway Courtesy Club.

In presenting the awards, M. B. Houser, retail operations manager for Safeway's San Francisco division, noted that while all of the division's 3,300 retail store employees are eligible to be so honored, only six are selected each month.

Alfred Knights Are Hosted Prior to Tour

Mr. and Mrs. Alfred Knight were hosted at a going - away - to - Switzerland banquet at a hall in San Francisco Friday night, given by Carl and Heidi Lebherz of Pacifica. The Knights have been residents of Daly City for 15 years.

Mr. and Mrs. Knight were greeted by 25 friends. They are leaving May 4 for St. Gallen, Switzerland, and will be gone three months. They will also visit in Italy, France and England. Miss Heidi Lebherz will be caretaker of their property on Peoria street while they are away.

Vocational Nursing Trainees Sought

Trainees for a year's licensed vocational nurse course are sought by the California department of employment's industrial and service office in San Francisco.

Applications will be accepted by the state office medical desk at 801 Turk street. The new class beings June 4 at Galileo Adult School, 1150 Francisco street.

Under provisions of the federal Manpower and Development Act, trainees who are head of a family or a household and otherwise qualified may receive allowances up to $55 a week during the course.

Graduates will be eligible to take the state board examination for license as a vocational nurse, a position currently paying from $311 to $333 a month.

Entrance requirements include at least a tenth grade education and ability to pass an aptitude test which demonstrates proficiency in oral and written English, arithmetic and ability to follow instructions and to exercise mature judgment. Applicants also must pass a physical examination.

The class will be the third in the L. V. N. series to start in San Francisco since January, 1963.

Mills College began as a young womans seminary in Benicia in 1852.

Airman Bradford Serves in Pacific

Douglas A. Bradford, aviation machinist's mate airman, USN, son of Mr. and Mrs. Lester E. Bradford of 535 San Diego avenue, Daly City, is serving with Airborne Early Warning Barrier Squadron Pacific, Midway detachment, at Midway Island.

'I Got Joy' Topic at Westlake Lutheran

"I Got Joy" will be the sermon shared by pastor Kenneth Hansen at Westlake Lutheran Church, Avalon and Westmoor avenues, Sunday. This being the first Sunday of the month, there will be Holy Communion.

The senior choir, under the direction of Stephen Syverud, will be singing in the Lutheran Welfare Benefit Concert at Ascension Lutheran Church on Sunday, May 5, at p. m. The church is at 152 Church street, near Market, in San Francisco.

HARD AND SOFT WATER

Your vacation trip by motor is likely to take you through territory that has a wide range of water,, varying from the extremely hard to the extremely soft, points out the National Automobile Club.

Hard water, it should be borne in mind, obtains its hardness from various deposits in it that are likely to leave a scale in the radiator and cooling system. If it is used excessively, have the system drained and flushed at the end of the trip.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER

Auto-Torium Feminine Driving Consultant

Somebody is always beating me to the punch line or the lunch line . . . or to an intersection. And I never have been able to bluff or fake my way in situations like these. I might try it occasionally when I'm heading for the hors d'oeuvres table, but I'm not very anxious to argue with a big burly truck or an aggressive taxicab driver! These intersections where there are no stop signs or signals are no place for insisting on your rights . . . even if there are "right-of-way" rules.

The law says that at an intersection without traffic control devices, the first vehicle in the intersection has the right to go ahead. Like "first come, first served" . . . except there are often cases when it isn't clear who did get there first. You haven't time to debate the issue, so the best rule to follow when in doubt is . . . give in. Call it laissez-faire if you want, but it's safer that way.

If two cars approach the intersection from different streets at the same time, or thereabouts, the driver of the car on the left has to yield the right-of-way to the one on the right. Now, don't get confused here . . . this means any car on your right has the go-ahead privilege, and if for some reason you have difficulty telling your right from your left, play it safe and let the other guy through.

These right-of-way rules become more complicated, believe it or not! For instance, at stop streets you have to yield to cars coming on a through street . . . but when you're on a through street you should yield to cars which were stopped before you got near the crossing.

Got it? Neither do I . . .

Making a left turn is comparatively simple. All you have to do is get into the farthest left hand lane, signal at least 100 feet before you reach the intersection, and wait until there are no more cars approaching from the other direction so that it is safe to complete your turn.

These procedures are especially important to follow when driving on divided and multi-lane highways where you must consider the danger of approaching automobiles in each lane before turning.

I hope you all know that police cars, fire engines, ambulances and any emergency vehicles always have the right-of-way. When you hear that siren or you see flashing red lights, pull over to the right side of the road and stop until the car has gone by. While you're at it, cross your fingers that they aren't after you!

Having spent some time in Chicago, I am continually amazed when I put my foot out in the street and cars actually stop! In Chicago, that never happens . . . you're likely to get run over before you take one step. But California law gives the right-of-crosswalks marked by painted lines or in unmarked crosswalks at intersections.

I never take it for granted that the driver will stop for me, but I feel more confident that he will, at least . . . and it makes me think Californians are, by nature, a friendly folk.

In short, the best rule to remember is this: Never insist on the right-of-way, even when you are sure it is legally yours. Common courtesy is the basis of all safety, and it is well applied here.

PERFECT CRIME?

In Barcelona, Spain, he was walking down the street when he spotted at least twenty beautiful shoes lying on the backseat of a parked car.

Hurriedly he glanced around, reports the National Automobile Club, saw there was no one looking, pulled open the car door, popped all the shoes into a sack he was carrying, and scurried away.

Seems like a perfect crime, but the catch was this: the car belonged to a shoe salesman, these were his samples, there wasn't a pair in the bunch, they were all for the right foot.

MELODY RAMBLER, 750 El Camino Real in San Bruno, this week celebrated the expansion of their used car operation. The firm now can display 90 to 100 used cars. Charles Carman, general manager for Melody, says "this is another part of our expansion plan and we want to keep growing with San Mateo County." Bill Wilson, vice president of Melody Rambler, commented that "we want to sell a family more than once, and in order to do this we have to give our customers the kind of treatment that makes them want to return. We have in stock, and available for immediate deliver, 140 Ramblers in all styles and colors."

Don't Over-do Vacation Driving

Budgeting your vacation driving time is just as important as budgeting your holiday expenses, says the California State Automobile Association.

An otherwise well-planned vacation trip can be spoiled by trying to cover too much ground in too little time, cautions the AAA mortorists' organization. Those who do, return home in need of another vacation to recuperate.

For most families, a day's vacation driving should be limited to 300 miles on between - destination trips. If there is to be sightseeing along the way, an even shorter daily trip is recommended, says the CSAA.

Crowding too many miles into one day's driving results in long, monotonous hours in the car which spoil the fun for everyone.

In planning a vacation trip you should estimate how far you can travel each day with comfort and safety and then subtract the time you want to allow for sightseeing.

Mileage charts on maps will help you plan your day's trip.

Generally, you should allow about three hours driving time to go 100 miles, including stops for gas, oil, refreshments and rest. If your trip takes you to more heavily-congested areas in the midwest or east, you should allow more time.

Finally, the CSAA suggests you begin your driving early in the day, and stop by 4 or 4:30 p. m. This will make the day's drive less tiring for all concerned and will give you a better choice of accommodations.

California Growth

It has been said that there are as many reasons for California's skyrocketing population as there are Californians. Since its admission to the union in 1850, California has been the fastest-growing state in the nation. In 1900, a population of almost 1,500,000 ranked California the 21st state; 1960's population of 15,717,204 was second only to New York.

Los Angeles County has a population of over 6 million. Only eight entire states have more people than this county.

San Bernadino County, the nation's largest with 20,131 square miles, covers mohe territory than Vermont and New Hampshire combined. And Los Angeles has the greatest area of any city in the nation.

THE NEW MIDAS MUFFLER shop, located at 49 Ocean avenue and Alemany boulevard, where complete exhaust systems can be replaced in 15 minutes. Julian Klieman is the owner-manager. A waiting lounge for customers, with refreshments available, is one of the features of the new firm.

NO FREEWAY PROBLEM

In the United States we have freeways that go just about every way, points out the National Automobile Club.

In Bhutan, a small kingdom in the mighty Himalayas, the situation is considerably less complex. There they've just opened their first road for automobile travel and it's 12 feet wide, 120 miles long.

See Yosemite Park In The Springtime

Springtime is possibly the bet time of year to see Yosemite National Park, that spectacular area of valleys, waterfalls, mountains, lakes and streams.

Yosemite Valley proper, which might be considered the heart of the park, is reported by the National Automobile Club to stand about 4,000 feet above sea level, to be some seven miles long, and to average about one mile in width.

This great valley was formed by the ceaseless work of water and ice through many ages. First the rushing torrent that is now known as the Merced river raced down from the gradually rising mountains to cut a V-shaped canyon more than 2,000 feet deep. Smaller streams feeding into the rushing river couldn't cut so rapidly so their waters formed cascades of great height.

Then came a great ice age and the glaciers moved down through the valley, gouging out a U-shaped trough. Now the soaring walls were almost vertical and the rushing cascades became spectacular waterfalls.

Yosemite Valley is surrounded by some impressive peaks, some soaring granite summits that seen from below almost seem to disappear into the sky. Known around the world as Cathedral Rocks, Half Dome, Sentinel Dome, Clouds Rest, and El Capitan.

Leaping from between such peaks come the surging and graceful waterfalls. Yosemite Fills, which has two sheer drops and some carcades in between, falls a total of 2,425 feet. Nevada Falls is 594 feet, the beautiful and celebrated Briday Veil is 620 feet, and Ribbon Fall, the highest of them all, has a sheer drop of 1,612 feet.

The park, however, spreads far beyond the limits of this valley and out beyond these peaks and falls are many mountains, crystal clear lakes, brightly running streams, woodlands, and meadows that in the spring and summer are often filled with flowers. Here the scenery is inspiring and the fishing fine. Trails thread the area and hikers and horsemen can find their way into almost every corner.

At the southern end of the park is the Mariposa Grove of the Big Trees, where many notable sequoias are to be seen. Biggest tree in the grove is the Grizzly Giant, 95 feet in circumference, 209 feet high and an estimated 4,000 years old.

Accommodations in Yosemite National Park run all the way from free public grounds to the highest class of hotel service.

You might try Yosemite this spring or summer. It's really some thing to see.

Those Two-Car Families

At various points in these United States, being a two-car family is proving to have its advantages and its disadvantages.

On the advantage side, a family man in Washington was reading his evening paper when he heard his car being started, promptly peeked out the window to see his car being driven by a strange man and disappearing down the street.

This, according to the National Automobile Club, was only the beginning for our hero. He dashed to his driveway, leaped into his high-powered sports car, and took off after the thief. In no time at all he had him cornered, curbed, and cowed.

Up in Massachusetts, however, being a two-car family was quite another story. There a citizen was taking his spick-and-span-new model out for its first airing. As he cruised down the street he must have been lost in some delightful daze for he crashed into the rear end of a car ahead.

A few more seconds and there was a crunching blow from behind. That crunching blow was delivered by his wife who was driving the second car down the street behind him, probably checking on how the new family wagon looked from the rear.

SECOND LIEUT. Thomas R. W. Skinner, Jr., of Daly City has entered United States Air Force pilot training at Webb AFB, Texas. Lieutenant Skinner will fly the newest Air Force jet trainers and receive special academic and military training during the year-long course. He will be awarded the silver wings of a pilot upon graduation. He is a son of retired Colonel and Mrs. T. R. W. Skinner of 136 Westmoor avenue in Daly City. The lieutenant has an A.B. degree from San Francisco State College and is a member of Sigma Pi Sigma.

CHANUTE AFB, Ill. — Airman Third Class Nicholas A. Frank of South San Francisco, Calif., has been named honor graduate of the United States Air Force course for aircraft instrument repairmen here. Airman Nicholas was trained in the operation, maintenance and repair of aircraft engine, flight, and navigation instruments. The airman, son of Mr. and Mrs. L. E. Frank of 333 Alta Loma Drive, South San Francisco, is a graduate of Riordan High School. He attended City College of San Francisco.

It's News To Vets

Q. What are the average ages of living veterans?

A. According to the veterans Administration, average ages are as follows: Spanish-American War, 85; World War I, 68; World War II, 44, and Korean Conflict, 33.

Q. The VA is urging veterans who draw compensation and pension and who also have GI insurance to have their insurance premiums deducted from their compensation or pension payments. If I do this, how will I benefit?

A. The VA points out such procedure would not only avoid the chance of a lapsed policy, but would also save the veteran the time and cost of drawing a check or money order and mailing it to his VA insurance office.

"MEMOS" FROM YOUR Stylist

By: MR. ROBERT

Whether you think of the skin as an organ—which some schools of thought maintain it is—or merely a casing to contain the body sausage-fashion, the fact remains that it is one of the hardest working parts of the human body.

The skin is called upon to produce oils, hair, perspiration and nails, along with regulating body temperature. It has many ailments of its own and is usually affected in one way or another by most ills attacking other parts of the body. Thus, the skin suffers in beauty and attraction when one's health in general is something less than par.

One phase of beauty and attraction that you ladies have no call to worry about concerns your hair. The operators and stylists at MR. PROJECTILE LAUNCHING from Oceana — This action, part of the recent El Camino-Oceana track meet, was also part of the first track victory recorded by Oceana. The Sharks won the event and the meet, 62-50.

It's SPARE TIME

at Westlake Bowl

By JIM GREALISH

The Twilight Mixed Fives started summer league play with Marie Ratto and Frank Peterson leading the way. Marie shot a 186 game and 523 series, while Peterson led the men with 205 and 573.

Judy Nelson and Hank Clet took the top spots in the Kings and Queen's 850 Mixed Scratch League with Judy's 225 and 555 leading the ladies, and Hank's 242 and 608 topping the men.

Our best wishes for a speedy recovery to the wife of Bob Hansen of the Westlake Classic League, who is temporarily confined to a hospital.

The newest feature for the ladies at Westlake is the 3-6-9 Handicap Singles every Monday at 1:15 p. m.

Westlake bowlers are eagerly looking forward to "Bowling Week," which starts next Sunday, May 5, and closes with the bowlers' dinner dance at the Fairmont Hotel on May 11. The week-long program is jointly sponsored by the San Francisco Bowling Association, San Francisco Bowling Proprietors Association, the San Francisco Examiner and the Brunswick Corporation and will consist of daily clinics and instruction periods, exhibitions by national Brunswick star bowlers, match games and the crowning of the King and Queen of Bowling. The local highlight of the week will be the appearance of Brunswick star Buzz Fazio here Saturday, May 11, at 10 a. m.

One hundred pins separated the two leaders in the Southgate Mixed Fives last week as Earl Wilkins led the men with 199 and 562 while Erma Graham was the leading lady with a 196 game and 462 series.

Thursday, May 2, is Ladies' Day at Westlake Bowl as the North San Mateo County YWCA presents its monthly fashion show luncheon at 1 p. m. Latest fashions from Sue Scott Distinctive Apparel and Lass and Laddie, will be described by guest commentator Norma Washford, president of the Y-Wives. Reservations are necessary and may be made by calling PL 6-7370. Free supervised child care service is provided during the show.

Open play bowlers are taking advantage of the brief "vacations" being taken between the end of winter leagues and the start of summer league competition.

The Gladiola team won the A-1 Nursery Ladies' League by a clean margin as Gari Snyder, Marge Thornton, Rita Decker and Carmen Lewetzow accepted the congratulations of the other league members. Norma Wagner and Betty Cooper took first place in the final day's sweepstakes.

Two of our daytime bowlers qualified for W.I.B.C. awards. during the week by shooting more than 100 pins over their averages. Lucy Good bettered her average by 117 pins in the St. Emydius League, while Bernice Scanlon rolled a mere 181 pins over her average in the YWCA League.

In the opening night's play of the Ladies' 650 Scratch League, Joan Gisler helped boost her average as she led the league with a 221 game and 604 series.

Country Club Handicap leader of the week was Chris Duff, who posted a 214 game and 624 series.

Ram-SSF Crisis Grows In NPL

SSF, Jeff Swimmers Rule Trials

The North Peninsula League's first swimming trials, held last Friday at the Jefferson pool, was dominated by the two teams that completely ruled NPL competition through the regular season, South City and Jefferson.

The League finals, to be held this Friday at the Jeff pool, will nearly be the third dual meet between these two teams. Terra Nova managed to get three swimmers aboard for the finals, while newcomer Oceana managed only one addition to the qualifying ranks.

The varsity qualifiers:

200 free: Goodin (J), 2:20.3; Frohm (TN), Hillman (J), Pandaga (J) (SSF), Thompson (SSF), Holloway (SSF), 2:20.2; 50 free: Shelton SSF), Gates (O), Ahern (J), McClure (SSF), Pfeiffer (J), Broda (J), 24.8; 200 individual medley: Soals (SSF), Figone (J), Vindum (TN), Willoughby (J), Bias (J), Phighpen (SSF); 100 butterfly: Shelton (SSF), Jenkins (J), Broda (J), Martin (SSF), Bias (J); 100 free: Soals (SSF), Ahuna (J), Weiss (SSF), Prince (TN), Wilson J), Rebholtz (SSF), 1:00.1; 100 back: Belli (SSF), Wallace (J), Willougby (J), Whalen (TN), Thompson (TN), Hayes (J); 400 free: Wortenberg (SSF), Frohm (TN), Pfeiffer (J), Ahern (J), Thompson SSF), White (SSF), 5:13.1; 100 breast: Casperson (TN), Dunlop SSF), Magness (J), Lowe (SSF), Figone (J), Ranes (SSF), 1:16.2.

Tigers Take Warriors, Tie Ram Cinders

The room at the top is getting crowded — the Westmoor track team has an unwelcome guest in their NPL penthouse and it doesn't look like the Terra Nova crew is about to give up its new residency.

Terra Nova got their key to their new pad by dropping South San Francisco in a dual meet, 63-50. They won in spite of being disqualified in the 880 yard relay, and in spite of one Jim Roberts.

The South City hurdler clocked the best times of the year for the NPL in both the 120 yard highs and the 180 yard lows — turning 15.5 and 20.1 second times, respectively.

The Tigers' stable of sprinters again told the story, as the Pacifica squad won every race from the 100 yard dash to the mile run.

Dennis Latterman's troops, in their meet with Jefferson this Thursday will have the oportunity to force the Rams of Westmoor to move out of the league's unofficial leadership.

The Jefferson meet should be a question of track versus field, with any upset anywhere being capable of deciding the meet.

Terra Nova decided everything in the South City meet, with a sweep being completed

Chamber Golf Tourney Opens Tomorrow, May 2

The eighth annual Daly City-Colma Chamber of Commerce golf tournament will begin tomorrow at the Lake Merced Golf and Country Club. More than 180 entries are expected in tomorrow's tourney, including many of the area's top amateurs.

Ed Castagnetto, three-time San Francisco champ and former Northern California amateur champion, will be on the starting tee. Former state amateur champ Bob Silvestri will be at the Merced course. Silvestri, in addition to the San Francisco championship, is also a Pro-Am Bing Crosby tourney winner.

Dr. Mitten, former Panama Open champ, will be on hand. Pete Markovich stated that, in addition to these golfers, there will be "hackers of all types."

Starting time is on a first-come, first-served basis for hackers and former champions alike. Starting rounds will begin at 8 a. m. and starts may be made until 2 p. m.

The entry fee has been set at $15, and includes the green fee, a roast beef dinner and a chance at many prizes.

Rams, Tigers, SSF Victors

Under finally seasonable NPL got its first fully scheduled round of baseball into the books.

It should make pretty good reading: Westmoor saw Jefferson as a bear on the horizon, but beat the Jeffs easily, 10-3. Pre-season dark horse El Camino was dumped in an extra inning, 3-2, by a whozat? team, Terra Nova, and Oceana traveled to South City, out-hit the pre-season favorites, 5-2, yet lost as the Wariors scored five unearned runs to win, 5-0.

The Westmoor Rams played Jefferson to a standstill for an entire inning before things became unglued. The Rams scored two runs in the second, four in the third, and then frosted the cake with three more tallies in the top of the seventh. Hix went two for three, managing another home-run in the process and four RBI's, while Steve Schmuck, also two for three, but had to settle for a double in the extra-base department.

Jefferson, in contrast to the Rame' nine-hit barrage, got a single hit, a double, lashed by the Indians' left fielder, Sullivan. But, capitalizing on Ram starter Torres' wildness, the Jeffs pushed across two runs only to find Dave Williams take over, putting out the third inning fire then shutting them out for the rest of the route, striking out ten men in the process.

The Terra Nova nine, picked to be a potential threat, rode the route tied with El Camino, 2-2. Then in the bottom of the eighth, the Tigers got the threat out of print and into the scoring column, winning it for relief hurler Cameron.

The winning run was scored with singles by Cook and Sanders, spliced by a sacrifice fly lofted by pinch hitting Bill Hensley.

The Colts were picked as bad guys in the early forecasts, and in the South City tourney proved that they have the potential to be very anti-social indeed. Terra Nova, in stifling this potential for eight innings, laid a respectable claim to a contender's rank.

Nell McNevin, one of the several good hitters on the South City club, got the only Warrior hits of the afternoon, going two for three official trips.

The Oceana crew spread their five safeties around but never controlled the pitcher, Jones, who stayed ahead of every batter he faced.

The Shark nine was slightly hampered by nine errors. On the strength of these misplays, the Warriors won on five unearned tallies.

THAT INSIDE DIRT

That discoloration on the inside of a windshield glass usually is a by-product of smoke, points out the National Automobile Club.

The moisture in the exhalation of a cigar, cigarette, or pipe tends to strike against the glass and remain there in the form of a discoloring mist.

All 30 of the Medal of Honor winners in the Spanish-American War were cited for action in Cuba.

Pacifica Plans Swimming Team

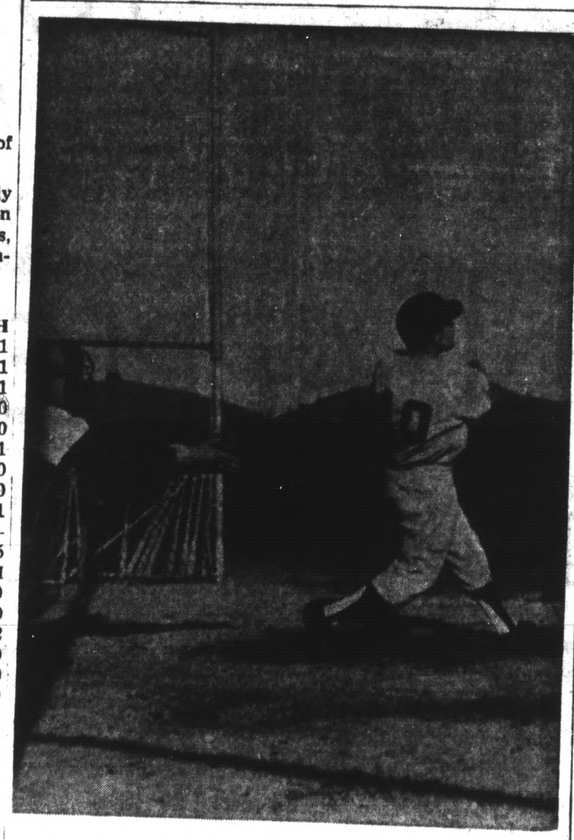
The park, beach and recreation department is sponsoring a swimming team to be called the Pacifica Sea Lions.

Tryouts will be held this Saturday, May 4, from 5 to 6 p. m. at Terra Nova pool. Anyone between the ages of seven and 17 may tryout for the team.

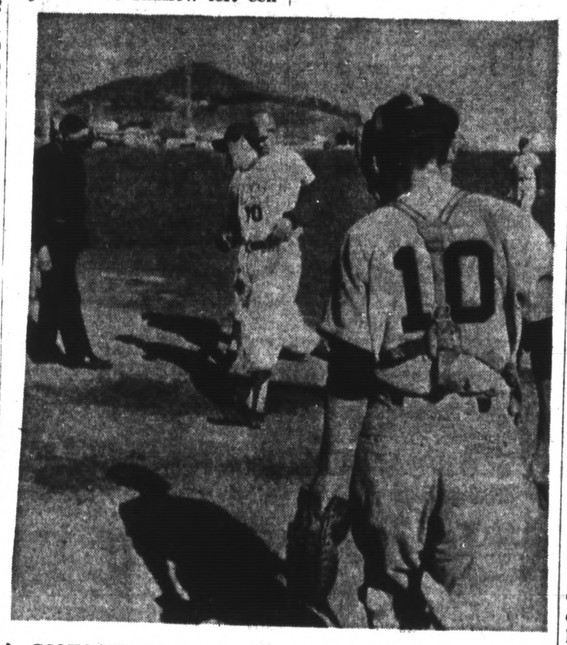
Practice will be held every Saturday until June 17, after which time the team will be working out Monday through Saturday. For additional information, call the recreation department at FL 5-4151.

The Terra Nova swimming pool is open to the public on weekends, between the hours of 1 and 5 p. m. Fees for swimming are 25 cents for children, 35 cents for high school students, and 40 cents for adults.

The pool is also available for private groups. For information regarding aquatics in Pacifica, call the recreation department at PL 5-4151.



SKIP DEL SARTO, Jeff receiver, connected here in the top half of the seventh for a fly ball into shallow left center. The Jeffs rallied briefly, but it was snuffed out and the Colt won, 4-3.



A COMMITTEE of one received Walt Harris as he crossed the plate after his bottom-of-the-fourth inning home run. The blast over the center field fence put the El Camino Colts ahead to stay, 4-3.

Warrior Netmen Shutout Victims

The South San Francisco Warrior tennis team lost its fourth match of the season last Tuesday to Aragon High School. The Warriors suffered their most convincing defeat of the season in losing to the NPL leaders by a 7-0 score.

Vic Escallier lost to Paul Kohlas, 6-2, 6-2. Captain Jim Eskelsen lost to Ed Mengers, 6-1, 6-4. Rich Mozzini put up the strongest struggle but still went down to defeat, losing his first match of the season by 6-1, 1-6, 7-5. Edison Louie was crushed, 6-0, 6-1, by Allen Bennet, and Jerry Dong lost out to Phil Abrams, 6-1, 7-5.

Both number one and two double teams were easily defeated.

The Warriors closed out their season Monday at Hillsdale and finished up a post-poned match Tuesday with El Camino in their season finale.

The Warriors' record now stands at 12 wins and four losses.

Ram Golfers Defeat Oceana

The Westmoor Rams have an apparently unbeatable golf team. They haven't lost yet, and have defeated the strongest city team. The closest team in the NPL standings is Oceana. Oceana has only been beaten once in league play — by Westmoor. They have now been beaten twice—by Westmoor.

The latest match was, in the vernacular, a squeaker but the Rams managed to win in a breath-taking 19-18 contest.

Mori and Fair and Bento were off, shooting in the high 70's. The Rams were in the midst of beating Burlingame, allegedly the best team on the Peninsula when it began to rain. The best team was behind the Rams, 5-2, at the end of nine holes when the whole business was terminated because of the rain.

This week, the Rams have the chore of dismembering Balboa at the Merced course. Sympathy cards have been sent.

Tigers, EC Win, Build Tension

THE CRISIS never materialized. Without warning, in just a few short weeks' time, the great powers, formerly rivals only on a diplomatic, resolvable level, withdrew from the conference table.

It was only hours afterwards that reports of combat readiness were being heard. One report stated that the opposing forces were already closing. Perimeters were drawn, shelters were prepared, weapons and all systems were GO. Disaster and annihilation were questions of time, not of chance.

The Westmoor infield never dried off, however, and the South City-Westmoor baseball contest was cancelled because of an unsuitable playing field. In this age of living-by-crisis, avoiding one with only a wet lawn is quite a feat. Especially considering the fact that the crisis was one of the finest CIA and state department traditions with press coverage and traditional rivalries and other equillay unimportant ingredients.

The rest of the NPL remained aloof and detached from the crisis. The Jeffs raided their own scoring column with their base runing and lost to El Camino, 4-3. Terra Nova proved that they may well be considered an independent power by revising Oceana, 6-2.

Jeff, with one run in, one out, and two men on, looked for all the world like the proud owners of a two- or three-run first inning, but a sharp ground ball did not go through the hole, and the Jeff runner did not hold up at third, and Zap.

Then, in the top of the sixth, Jefferson had a man on second, until Colt pitcher Westmoreland picked him off. Well, Rolling hit the ball about three light years over the 340-foot left field wall, and that is some consolation. And the Jeffs pitcher, Sullivan, only gave up four hits, which is a great deal of consolation. And, finally, lead-off man Wayne Stoller went two for two, and both hits were doubles.

El Camino pushed three runs across in their half of the first inning, then watched Jeff tie it, one run per inning. The fourth inning was the final one, essentially, as the Colts' third sacker, Walt Harris lifted a drive over the life-saving 270-foot center field fence for the winning run.

Oceana out-hit their tormentors again, 7 to 5, and this time held the Terra Nova Tigers in check, things being all tied up at the end of four innings. Then in the sixth, the Sharks booted the game to pieces, committing three errors, allowing four runs and giving the Tigers a chunk of first place.

Jefferson faces Oceana today in a battle between two teams that are but inches from jelling. Oceana has lost both games on errors after out-hitting the opposition. Jefferson came unglued against Westmoor, then made a series of what Coach Steve Mazzera calls "mental errors" in their loss to El Camino. If the Jeffs can find their lost hustle and sharpen their base-running, Oceana is in trouble.

Jeff Mentor Mazzera stated that the league is close enough to expect upsets. Adding that he felt that his team was emphatically still in the running, he stated that since the league has produced no outstanding pitchers, any team is capable of winning any given game. "Everybody could wind up knocking each other off" he concluded.

Westmoor, in facing El Camino, comes armed with statistics that are nearly frightening. Bruce Hix has hit safely five times in six trips, three of the hits going over the wall. At .833 Hix owns 10 RBI's and 14 total bases. Steve Schmuck with four hits in seven at-bats, is hitting .571—has scored twice, and owns two RBI's.

SEA BOWL NEWS

Summer vacations are always the most important considerations given by most leagues in their planning for the summer seasons.

We would like to point out that there are more tournaments and "fun" bowling activities during the summer than there are during the winter.

Most of the house tournaments are conducted in the summer months and we are planning two tournaments for our house bowlers. The first one is set for next month, and will be a single elimination match game tournament for men with 32 bowlers competing. There are two brackets in the tourney and many of the spots are filled.

In June, the girls will get a shot at the same format in their own tournament. Later on, we intend to have a pre-season team event for all teams—Men, women or mixed.

A strong junior league is scheduled to take the lanes next Saturday morning for the opening date of the summer junior league season.

If some of you "old timers" would like to see some of the strong competition coming into the adult ranks in the next few years, come down and take a look at these juniors.

We are looking forward to the appearance during Bowling Week of Ora Mayer—one of our home town professional bowlers — and the nationally renowned Buzz Fazio.

Now for a look at last week's scoring:

Yawners — Beth Randall, 174-502; Shirley Cole, 188-496, and Alice Chernetsky, 184-457.

Aquanots — Connie Silves, 167-449; Lois Talbot, 163-447, and Bonnie Tweedie, 157-431.

Mermaids — Eleanor Payne, 169-430; Dolores Logan, 168-418, and Robbie Ash, 162-416.

Moonshiners — Connie Bryant, 176-490; Jackie Laton, 188-479, and Bonnie Gardner, 180-451.

Neptune's Daughters—Marie Schiedt, 167-471; E. Duffy, 188-456, and Joan France, 168-450.

Alleyholics—Lou Engelman, 197-480; Barbara Buckley, 192-474, and Clara Meadaws, 176-471.

Keglerettes—Paulette Slack, 204-534; Myrtle Hazen, 181-509; Thelma Corcorran, 174-479, and L. Engelman, 166-479.

Flamingo's—Orene Marcer, 168-432; Carol Hutchinson, 157-408, and Shirley Ortega, 150-399.

Ladies 540 Scratch — Betty Thomas, 182-501; Connie Bryant, 181-487, and Daisy Bonner, 165-469.

Stardusters — Dessie Hart, 171-479; Fran Roe, 187-475, and Joan Garnett, 174-463.

Women's Pro-Match—Betty Burns, 199-558; Carol Lee, 198-523, and Ginny Featherstone, 189-521.

Ball & Chain—Rosalie McSweeney, 174-455; Mary Uhrig, 168-397; Fred Smith, 194-524, and Ed Terry, 228-510.

Pro-Match — Paul Sterling, 251-623; Tim Buerke, 226-599, and Sparky Ullstrom, 213-599.

Mixed Masters — George Keefe, 211-531; Nils Ansgarius, 184-497; Harge Ohlander, 189-516, and Lynn Berry, 174-474.

Boat Club — Charlie Humbert, 187-526; Ken Sidwell, 177-474; Etta Tompkins, 173-468, and Dessie Hart, 156-425.

Wednesday Men's Handicap —Red Monroe, 207-535; Morrie Bieser, 184-525, and Roland Lewis, 203-520.

Beachcombers — Jim Gilbride, 214-568; Joe Bolton, 196-560; Joann Mathaus, 200; Roberta Shepard, 173-472, and Doris Riley, 167-443.

Chix & Hix — Jim Cairns, 176-518; Bill Barret, 172-488; Helen Kettleman, 164-446, and Dorothy Frawley, 145-375.

Pacifica Travelers — Helen Felty, 144-406; Verna Hodgson, 147-406; Leuther Swinney, 247-695, and Willard Hodgson, 223-558.

Pintwisters — Roger Luhrs, 240-664; Barney Bates, 209-566; Rose Pruett, 199-504, and Jean Bohnstedt, 165-490.

525 Trio — Mike Olmo, 206-787; Ralph Edwards, 202-766, and Bill Paddock, 231-759.

Tavern—Earl Pendley, 203-587; Howard Jensen, 209-563, and Mel Tucker, Jr., 211-563.

Kings & Queens-National—C. Reynolds, 202-545; Bernie Cohn, 223-574; Bobby Shepard, 199-524, and Kay Bisio, 171-482.

Kings & Queens-American—Jim Campbell, 183-536; Red Perrier, 193-531; Carol Dahl, 190-499, and Myrtle Hazen, 179-474.

860 Sea Bowl Classic—Dolly Thielen, 222-657; Carol Acosta, 244-625, and George Keefe, 223-617.

Girls' Softball Leagues Planned

The Park, Beach and Recreation Department of the City of Pacifica will be conducting a summer softball league for all seventh and eighth grade girls wishing to participate.

A league will be established. Games will be played during the day, and will be coached by recreation leaders.

Locations for play will be Pacific Manor, Pedro Valley, Sanchez, Sharp Park, Vallemar and Westview Schools. The pre-season practice will get under way on June 25. Players will be notified as to time and day prior to that date. The registration fee for the softball program is $2.00 per girl.

Registrations will be accepted at the City Hall, 170 Santa Maria avenue, Monday through Friday, from 1 to 4 p.m. Bring the registration fee at the time of registration.

Oceana Spikes Win Number 1, Rip El Camino

Oceana trackster Bob Skrifvars won the 220 yard dash, won the 440, took second in the broad jump and Oceana won their first dual meet of their short history, defeating El Camino, 62-50.

Battling the Oceana speedster for individual honors was El Camino's ace hurdler, Hahs, who won both the 120 highs and the lows in respective times of 16.8 and 21.5 seconds.

The Shark cindermen tied ribbons around the first varsity win by sweeping the afternoon, the B's prevailing by the skin of their teeth, 57-55, while the C's had an easier time of it, 63-23.

Pacifica Flower Friends Install

New officers of the Pacifica Flower Friends Garden Club were installed by Mrs. C. M. Yohn of the Daly City Garden Club. Mrs. Yohn presented each new officer with a flower and explained why the flower symbolized her duties.

New officers are Mrs. Edith Doyle, president; Mrs. Lila Pfleg, first vice president, in charge of programs; Col. Van Ness, second vice president, responsible for membership; Mrs. Pan Duron, treasurer; Mrs. Nancy Moody, recording secretary, and Mrs. Ethel Warden, corresponding secretary.

Mrs. Doris Beaumont and Mrs. Martha Van Ness gave all past officers and all new officers an orchid corsage made up by them from orchids raised by Mrs. Van Ness.

The past president, Mrs. Lila Pfleg, was presented her garden club president's pin engraved with the year she served.

riding along at .333, have collected three doubles between them and own a single and two runs driven in, respectively. Pitcher Dave Williams, in two trips has hit once, a double that drove in two runs. The Westmoor crowd appears a little over-enthusiastic.

The Westmoor pitching staff also owns a collective ERA of 1.50, which isn't bad. Williams has allowed no hits, Tores has allowed only one, while Davis has allowed five. The opposition has a magnificent .131 batting average against the Rams. Williams has 10 strikeouts on file, Tores two, and Davis owns 9 in the helpless department.

Bruce Hix will start on the mound for the Rams against El Camino, Ram Coach Losberger explaining that his strategy was dictated by the very short Colt center field. "I'm going with a control pitcher who throws low—anything hit in the air to center can go over that 270 foot fence."

Terra Nova faces South City and is not looking forward to doing so. The SSF nine is a very undiplomatic bunch. Niel McNevin of South San Francisco is, for instance, un-cooperative, having a notorious history of hitting the ball with unmitigated violence. But without taking his shoes off.

Previously, he had worked in the culinary department of the Terra Nostra Hotel, the luxury hotel of the Azores.

SSF High School Students Win Art Awards

Rocky McClure, a junior at South San Francisco High School, won the "best of the show" award at the Art Festival held at South San Francisco High School April 17 through April 26. He won the award in the field of ceramics and sculpture; his piece will be purchased by the City of South San Francisco.

Eighteen other students were cited as winners. Other first-place winners were Ron Eli, oil painting; Shirley Dotson, wash and water color division; Andrea Koval, drawing; Jeanne Payne, design and collage; Ray Perez, textile design; and Mary Lou Kline, mixed media.

Second-place winners are Shirley Nordvick, oil painting; Ronald Eli, wash and water color; Joe Borg, drawing; Bootsie Vallegra, design and collage; Ray Ruiz, ceramics and sculpture; Hope Berry, design; and Andrena Koval, mixer media.

Receiving honorable mention for their work are Jeffrey Jones, Pat Welch, Pennne Rundburg, Rich MacDonald, Rhonda Walker, Gayle Shafford and Bob Simi.

The show was judged by Lenard Breger, head of art teaching training, San Francisco State College; Mrs. Miriam Lindstrom of the de Young Museum, and Morris Yarowsky of the San Francisco Museum of Art.

Art teachers at South San Francisco High School who arranged for the show are Mrs. Virginia Hering, Eugene Kubly, and Donald Stupfel.

Serra Bowl News

Jim Russell snagged a 229 high game in the Holy Rollers church-charity bowling league to top the shooting last Sunday night. Despite Jim's 510 series effort, a 48-pin handicap proved too great an obstacle as his team 7 dropped two out of three games to team 9 led by Tony Staguero, who posted a 4331 threesome.

This group, all members of St. Anne's church in San Francisco, will bowl through the summer at Serra and is planning an expanded winter season in order to raise money for various church needs.

Since their prize money will be returned to a worthwhile cause, the cash, accumulated over the season, becomes tax deductible. This is a great idea and certainly beats the drudgery of lotteries and cookie sales. Any similar group wishing more information on this type of program, may obtain it by calling WYman 2-3444 and asking for Mr. Hoffman.

John Avanzino, Sr., led his Arndt Realty Company team to a 2-1 win over California Trophy on a 237-6033 tally in the T.G.I.F. league Friday night. Frank Hamilton topped the losers with a 525 total.

In the Sunday morning Cavedwellers loop, John's Spot, paced by Manny Torres' 233-560 trio, swept all four points from the Jets.

Mavis Cotter topped the ladies in the afternoon Friarettes league with her 217-480 effort but her Swinging Four gals dropped two games to the Giants, who used a 20-pin handicap to good advantage.

Recent 700 Handicap action had its share of top shooting, also. Paul Alsup, 173 averager bowling, for the Gilt Edge meat market, paced his team to a 4-0 win over the 'Lil Village with a smashing 224-606 series. Dave Valine helped his Brouillard Construction team to a 33-1 win over Ted and Al's on his fine 226-535 showing.

Ray Conley tagged lanes three and four nicely last Thursday in the Automotive League as he sparked Chuck and Wally's team to a 3-0 victory over Pundts with his 229-575 series. On the next pair, Boas Pontiac's Warren Schwatka blasted a 225-584 but saved only one game from the more solid Buick boys, led by Cliff Owens' 542 trio.

Time to Get Growing

Keys to Summer Color . . .
Annuals of All Descriptions

For color that makes a summer garden glow, you have only to plant those simplest of all things to grow — annuals. There is no substitute in the garden world for the masses of bright bloom which they produce.

As border plants, they serve to fill in around shrubs and perennials, keeping the color parade relatively constant. You have tall annuals such as larkspur and the giant marigolds for the rear of the border, medium height annuals such as stock and suapdragons for the middle of the border and low growing annuals for the front — petunias, dwarf marigolds, ageratum, alyssum, annual phlox, to name but a few.

Out of the border and in beds of their own, annuals create gaudy islands of color and are easily approached for cutting. Zinnias are especially suited to growing in their own plots of ground, but so are stocks, snapdragons, salvia, asters and most of the other flowers which serve so well for cutting. Lower growing varieties — petunias, phlox, and dwarf marigolds again, plus violas — are massed strictly for their show and are seldom cut for arrangements.

A third use of annuals is for edging along paths and to mark the front line of a foundation planting. For this alyssum, and dwarf marigolds are first choices, but the perennial fibrous begonia, which many gardeners treat as an annual bedding plant, is also good.

Still another purpose served by annuals is to grace raised beds and containers in which other materials are planted. Petunias planted in a raised bed and allowed to spill over the side as they want to do, make for colorful displays in patio areas. Lobelia may be handled the same, cascading its veil of tiny blue flowers most appealingly over the edge of a wall or planter box. You see it, in hanging baskets, in conjunction with tuberous begonias or ivy geraniums, or simply in a basket by itself.

The California Association of Nurserymen suggests one more possible use for annuals and that is as a simple ground cover in parkways or other spots that need a new look.

Two annuals are especially good for this — alyssum and portulaca the low spreading Moss Rose. You can start them by simply scattering the seed over the prepared ground to be covered, or from flat-grown seedlings. Nurserymen offer all the above annuals in flats this time of year for easy transplanting to the garden.

With annuals as with all plants, take a few extra moments and study your soil. Is it loose and workable? Does it seem to have a good amount of organic material in it, or it is primarily sand? Is it well drained? Such an analysis can be made by the most inexperienced gardener in a matter of minutes, yet how often are those questions overlooked?

For annuals, turn the soil to a depth of a foot (or more, if you are energetic) working in steer manure and other humus building material.

Humus is the magic material that bulks up sandy soils and loosens clay or adobe soils. Where compaction has existed, you can insure that the newly worked soil will stay in shape by adding peat moss or a chemical soil conditioner and vermiculite. This takes but a little extra effort —and remember that the exercise is good for you. And how wonderful the dividends which that little extra effort pays. Your annuals — any plants — will thrive as they never have before. Your return in color and in flowers for cutting will be doubled, tripled, or even better.

WOMEN'S ACTIVITIES

From A Feminine Viewpoint...

By Mona Baker

Year after year a local musical group has received a "superior" rating when they participated in the annual Bay section of the California Music Educators Assn. music festival. They just received another "superior" rating last week when they appeared at this year's festival held at Foothill College in Los Altos. The local group receiving all this recognition and bringing honor to our local area is the Jefferson Elementary Honor Glee Club composed of 4th, 5th and 6th graders from local elementary schools—120 voices in all.

Also appearing at the festival and receiving a superior rating was a special honor ensemble of 20 voices.

Almost 30 school districts, representing San Francisco, San Mateo and portions of Santa Clara County, had choral groups participating.

The glee clubs are judged on performance, musicianship and quality of music. The Jefferson groups presented three selections of the type usually not sung by elementary glee clubs so their superior ratings were that much more to be prized.

Mrs. Muriel Vint is the music coordinator for the district, Mrs. Patricia Hackett directs the companist. Also student Larry Brown accompanied the group in their last selection.

The two honored groups will be appearing locally at Benjamin Franklin School on May 9th. Also participating in the concert will be the honor orchestra under the direction of Robert Steele. Do plan to go — we know you'll have a most enjoyable musical evening and have a chance to hear for yourself how accomplished are our local youngsters.

A community leader of the nation is our nominee this week for a local resident who has earned recognition. She was the only woman in the nation selected to appear on a panel of the nation's leading chemical engineers, speaking before a conference of 6,000 high school students in Oklahoma City .The symposium was sponsored by the Frontiers of Science Foundation of Oklahoma, Inc., an organization dedicated to interesting youth in a career in science.

We salute Maryly (Mrs. Jordan) Van Leer Peck whose interest in youth and dedication to her profession is bringing her national recognition. She also just received her doctorate in chemical engineering from the University of Florida. Residents of this area since last September, the Pecks are living in Westlake while husband, Jordan, attends the Church Divinity School of the Pacific in Berkeley. They have four youngsters who attend local schools.

It was a full agenda for the executive board of the Pacifica Art Guild who met last week at the home of Otis Strong. They welcomed back their president, Roberta Ewald, who has just returned from an extended visit to her parents in Minneapolis. Luther Spraker gave a report on the guild's program in the coming city-wide Pacifica spring art festival. The Art guild is coordinating the activities of the various participants. Among the groups is the Pacifica chorus, Pacifica players, fushia society and many others. Program chairman Sherri Thomas announced the May 13 meeting of the Art Guild will have as guest speaker Archibald Fairbarn, one of the West Coast's finest water colorists.

—★—

NEWS BRIEFS: It is election time for Holy Angels Women's Guild. They meet this Wednesday evening at the parish hall to elect a new executive board for the coming year.

Blue booties for the Ralph Arnotts who welcomed their fourth child, a boy, named Rory.

The date and theme have already been selected for Our Lady of Perpetual Help Mother's Club annual fashion trip down "Memory Lane" on October 19. The coming fashion show will be in honor of all past presidents and will be held at the Thunderbird.

"Round the Clock" will be the theme of the coming afternoon fashion show at Westmoor High School on May 16th. One hundred girls will be participating.

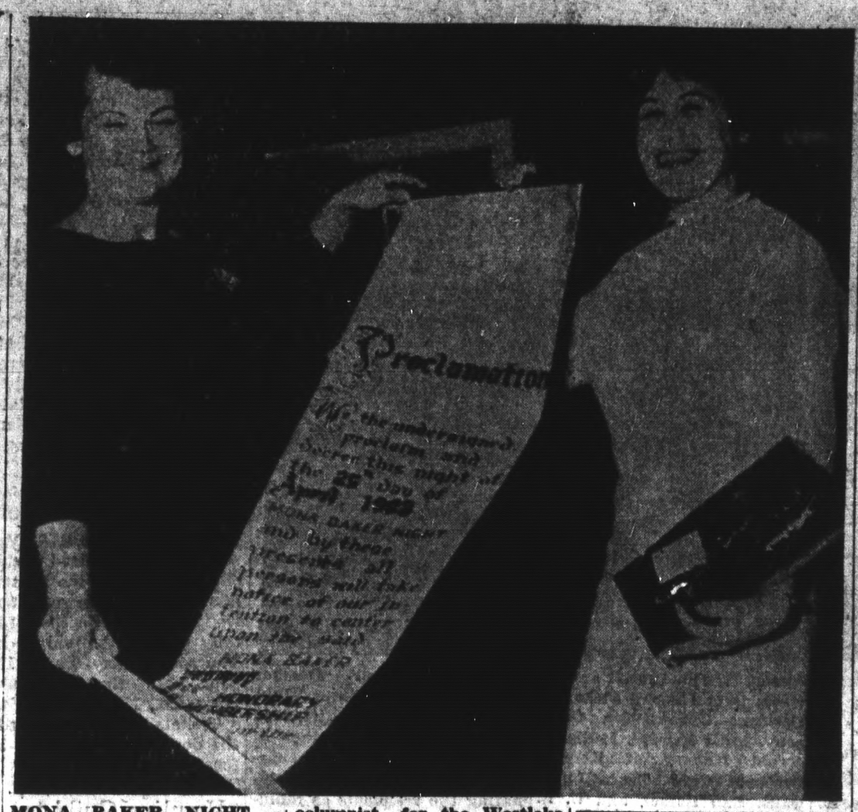
Your letters are most welcome. Do keep us informed of your social affairs, weddings, out-of-town guests, news of your organizations. Address Feminine Viewpoint, Westlake Times, 3317 San Jose Ave., Daly City.



MONA BAKER NIGHT — Honored with a honorary life membership from the Belle Tones was Mona Baker, (right), television and society columnist for the Westlake Times-Record. Presenting the "proclamation" was the group's founder Mrs. Patti Stoltz.

Between Us Gals:

Now That You're To Be Married, Tell Us!

by Bunny Gillespie

Do your hands end in fingers?

And does one of those fingers have something new about it? Something shining or sparkling? Like an engagement ring?

Then, this story is for you! The Westlake Times and Daly City Record is anxious to hear from you about your recent engagement, your wedding plans or about the wedding that was so recently an exciting moment in your life.

We know these are newsworthy and happy events and we wish to share your happiness and even add to it a little by passing on that news to our many readers and to your many friends.

And so, the Times-Record has just instituted a new service for its readers and for brides-to-be. You may now receive, from our business office, two gifts that may make your wedding plans easier.

The first is a "Society Department Engagement or Wedding Form," which, when completed by the bride-elect, or her family, will provide the information that you would wish your friends and the public to know about this most important occasion.

The form will aid both you and this paper in presenting the kind of story you will wish to keep as a treasured souvenier of your engamement or wedding. Any member of the bride-elect's family or any member of the prospective benedict's family may secure the form from the Times-Record office at 3317 San Jose avenue in Daly City.

In addition, this paper is continuing to offer the delightful little booklet, "Now That You Are to Be Married!" by Virginia Courtenay of the Art Point Paper Products Company.

Free to those about to join the ranks of newlyweds, the booklet presents a message for the modern bride which covers such pertinent subjects as wedding invitations (how they should read and when to mail them); marriage announcements (when they should be posted, formal wording, when to use "Mr." and "Miss" and what is correct in disclosing second marriages); reception and breakfast enclosure card forms; in whose name formal invitations and announcements are issued, when the bride's full name is used; procedure when the bride's mother has re-married or when the bride is a divorcee; who makes the guest list and whether or not tissues should remain enclosed with wedding sheets when mailed.

Later in the book, Miss Courtenay advises on the wedding itself, including the seasoning that encourages rehearsals; helpful hints about the bride's gown, bouquet and attendants; suggestions regarding appropriate music at the ceremony and gala yet unostentatious nuptial receptions.

A well arranged, carefully prepared booklet, "Now That You Are to Be Married!" also invites the future matron to investigate the fashions in the size, shape and color of announcements and invitations, and the character of the papers available, at her local Art Point dealer.

Here, too, the Times-Record is at your service for the complete portfolio of such matter is on display in the business office.

Should you be in doubt, the booklet's author covers the matter of wedding expenses on page 25 of the guide.

"The bride's family," she states, "provides invitations, announcements and enclosure cards, also the decorations, music and reception or breakfast following the ceremony.

"The groom's family, of course, buys the wedding ring, the bride's bouquet and, if he wishes, sends flowers to her mother and his mother. He pays the clergyman's fee and presents gifts, if he desires, to his best man and the ushers."

Joining with Miss Courtenay, the Times-Record reiterates her wish to prospective brides and benedicts that each succeeding year bring added peace, contentment and joyousness.

Will we be running your romantic news story?

Navy Mothers Installation Slated May 1

The San Francisco Navy Mothers Club No. 202 will hold its installation of officers at Veterans Memorial Building on Van Ness Avenue on May 1 at 8 p.m.

President Kennedy has proclaimed May 1 "Loyalty Day." The installation will be on this theme. California state N.M.C. Commander Caroline DeMartini will be the installing officer. California state chaplain Gene Jackson will be installing chaplain.

The California state welfare chairman, Lida Jensen, will act as installing adjutant, and Laura Shirley and Frances Pewitt as marshals. Those to take office for the ensuing two years are: Commander, Lucille Jones; first vice president, Maxine Johnson; adjutant, Mary Cristofani; assistant adjutant, Dorothy Young; finance, Pauline Perfetto; chaplain, Lorena Tustin; judge advocate, Onorina Kriletich; color bearer, Helen Gannon; Navy banner, Katherine Andre; matron at arms, Janet Goodfellow.

On Wednesday, May 15, a regular business meeting will be held at Veterans Memorial Building at 8 p.m. Commander Lucille Jones will preside.

May 21 a benefit game and luncheon will be held at 224 Burrows Street from 12:30 to 3 p.m. Proceeds are to be used for Naval Hospital Welfare.

Bon Voyage Party For Lance Kriens

A surprise Bon Voyage party was held Saturday night, April 20, for Mr. and Mrs. Lance Kriens of St. Francis Heights at the home of their neighbors, Mr. and Mrs. Hal Fox. The Kriens were invited over for an evening of bridge and upon arrival were greeted by 20 of their friends and neighbors. Once the amazed couple recovered from their surprise, everyone enjoyed champagne while hearing about the Kriens' May tour of Europe. The gift of a lovely leather travel bridge case was a highlight of the evening as was the beautifully decorated cake.

Those present included Mr. and Mrs. Fred Adams, Mr. and Mrs. Dick Behnke, Mr. and Mrs. Franz Glen, Mr. and Mrs. Joe Intaschi, Mr. and Mrs. Frank Fowlie, Mr. and Mrs. John McAuliffe, Mr. and Mrs. Bob McCroskey, Mr. and Mrs. Walt Misterman, Mr. and Mrs. Ken Sandvik, the hosts Doris and Hal Fox, and the guests of honor Lance and Cecile Kriens. Invited guests who were unable to be present but sent their best wishes included the Dick Bottas, Tony Carillis, Dick Hombergs, Marty Stacks, Art St. Peters and Joe Farina and Jim Taylor.

Mona Baker Honored By Belle-Tones

Mona Baker, feature writer for the Westlake Times and The Record was honored at a special rehearsal of the Belle-Tones" last Thursday night at Lincoln Park clubhouse.

The group, now known as the Daly City Community Chorus, sang five numbers, then presented Miss Baker with a scroll signed by all members which expressed their appreciation for news features she has written of their activities.

Patti Stolz, director, then presented Mrs. Baker with a gift. Refreshments were served. Other guests included Mr. and Mrs. James N. Harrah, publisher of the Times and Record, and Mr. Jack Baker.

Blossom Into Summer Fashion Show Theme

Dashing fashions and decorations will be featured tomorrow, May 2, at the monthly 1 o'clock YWCA fashion luncheon at the Westlake Bowl. The theme for the show is "Blossom Into Summer."

Blossom trees have been created by the Y-Wives Group for the table decorations, and Norma Washford, president of the Y-Wives, will commentate the fashion show.

Fashion co-ordinators Phyliss Odenthal and Dorothy Orlich will model, along with Marcia McGuirck, Jean Funai, Pet Smith, Jill Campbell, Ardell O'Connell, Peggy Miller, Nancy Warne and Ginger Straight. The youngsters modeling will be Jim Erlach, Susan Straight and Tony Orlich.

Hostesses will be fashion show director Eleanor Raymond, Mary DeWitt and Elsie Dab.

There will be organ music played during the festivities, courtesy of the Westlake Music Center.

A few reservations are still available. Call the YWCA office at PLaza 6-7370 to make a reservation. The price of the luncheon is $2, and complimentary nursery care is offered at the Bowl for this affair.

Luncheon Fashion Show by Sisterhood

Sisterhood Temple Judea is going to present their eighth annual Donor Luncheon and Fashion Show at the Jack Tarr Hotel on Wednesday, May 15, 1963.

Our Sisterhood is the main support of the Temple Judea Religious School and this Donor Luncheon is the most important fund raising event of the year. The door prizes include a portable television set, a typewriter and many other valuable prizes.

The fashion show will be conducted by "The Fashion" of Westlake with the following members of our Sisterhood acting as models: Mesdames Birdie Applebaum, Murray Bloom, Louis Dryfuss, Sylvan Eisenberg, Mary Flores, Leonard Lewitt, Stanley Pollard, Zelim Pellegrini, Melvin Shaw, John S. Taylor and Stanley Wiener. Donor Chairmen are: Mrs. J. Ploscowe and Mrs. Paul Gill.

For reservations call: Mrs. Stanley Pollard, PL 5-6502, or Mrs. Cliffor Glicksman, PL 6-3266.

Pacifica Homes Open For Tour

Mrs. E. D. Gentry of the Pacifica Branch of the American Association of University Women has invited the presidents of several of Pacifica's women's organizations to pour at the annual House Tour and Tea. Presiding at the tea table in the Vallemar home of the William R. Russells will be Mrs. Miguel Borras, Mizpah; Edna Laura Calhan, Fifty-Plus Club; Mrs. Fred Balew, Pacifica Federated Women's Club; and Imogene Bahr, Pacifica Ladies' Club.

On display will be five of the most interesting homes in Pacifica ranging from scenic Pedro Point to Sharp Park. The featured homes will be Miss Julia Jenkins', 441 Belfast Avenue; Mr. and Mrs. Michael Morilla's, 873 Silvia Court; Dr. and Mrs. Julian Reinhertz's, 135 Nataqua Avenue; Mr. and Mrs. William R. Russell's, 200 Bonita Avenue; and Mr. and Mrs. John Bogue's, 343 San Pablo Terrace.

Keys to the homes on the tour may be obtained from any Pacifica AAUW member, or by calling Mrs. Walter Griffiths at FLanders 5-2157 or Mrs. Kepford Ricker at ELmwood 9-0563. The donation will be $1 including tea, and the proceeds, as usual, will go into the AAUW community projects fund. Persons planning to attend are requested not to include any children under twelve.

Beta Sigma Phi Plans Rummage Sale

Alpha Alpha Omicron Chapter of Beta Sigma Phi is planning its first "Rummage Round-Up." The sale will take place on Saturday, May 4, from 9 a.m. to 5 p.m.

S. I. TUROFF
Director California
TUROFF CLINICS

QUESTION: IS BALDNESS INHERITED?
ANSWER: Definitely NOT. WE MAY INHERIT A TENDENCY to baldness, not baldness itself.
QUESTION: What causes baldness?
ANSWER: Many things, among them excessive dandruff, poor circulation, neglect. It takes a professional to determine the factors in each individual case.
QUESTION: What can be done about baldness?
ANSWER: No matter WHAT stage of baldness you have reached, your hair can be regrown with proper treatment, if the roots are alive.

FIRST REMARKABLE TREATMENT Next 6 Days To New Clients

What ARE the Danger Signals
These are definite warnings, and everyone can recognize them. DANDRUFF means there are bacteria at work. If they are not removed, they choke off the hair roots, a bald spot soon appears, and baldness spreads until you are completely bald. The same is true of EXCESS FALLING HAIR and ITCHY SCALP. In fact, anything but a healthy, good-looking head of hair means something is wrong and you MAY BE ON THE WAY TO BALDNESS. The longer one waits, the more advanced the condition.

AMAZING NEW METHOD MUST BE EXPERIENCED to be APPRECIATED
$2 is the complete charge for your first remarkable TUROFF treatment during this SPECIAL CLINIC, for the next 6 days. If YOUR hair is thinning, over dry, or over oily--if you are troubled with dandruff, increasing hair loss, come in and see us during this special clinic for the next 6 days.
If the FREE examination shows we can help you, your very first TUROFF treatment will cost you just $2.00. Our guarantee: YOU MUST BE SATISFIED WITH THE WONDERFUL RESULTS IN JUST 4 TUROFF TREATMENTS OR YOUR MONEY BACK. Find out why thousands of happy Californians have made us California's biggest, with many busy offices.

Jr. Auxilliary Annual Foster Mother Dessert

Members of Little Children's Aid Junior Auxiliary will hold its annual Foster Mother's dessert and tea in the Champagne room on the Mark Hopkins Hotel on Wednesday, May 8.

The affair is held to honor the many Catholic foster mothers who provide love and shelter to children who have found their own homes closed to them because of illness, desertion or unwanted birth.

Mrs. Lester Spangler will be among the special guests of honor and will receive a certificate for twenty-five years of service. Among the others who will receive certificates of honor are:

Five Years—Mrs. Vincent Benedet, Frank Bernardi, William Boel, Albert Brannon, Paul Brenner, James Burns, Jesse Cleveland, Chris Columbus, Marie Garner, Joseph Guerrero, Carmella Imprescia, Vincent Jozaitas, Ramon Larranaga, Alex Lucas, Edward Marigny, Carl Melconian, Louis Montoya, John McKenna, William McManus, Louis Pasion, Anthony Pereira, Russell Pfandler, Matthew Strezpak, William Viera, Ellsworth Walker and Harry Welch.

Ten Years—Mrs. Francis Bock, Oscar Decoudreaux, John Holtz, Vincent Ludden, Benny Mares, Lowry Mittelberger, John Shustoff, Frank Silva and Robert Travis.

Fifteen Years—Mrs. Leona Pereira.

Twenty-five Years — Mrs. Lester Spangler.

Guest speaker will be Monsignor Francis A. Quinn, Ed. D., editor of the Monitor, the Catholic weekly publication of the archdiocese.

Chairman of the event is Mrs. Ralph McKenna.

Old-Time Costumes On Display at Church

Costumes dating from 1860 to the 1920s will be on display tomorrow afternoon as the Women's Association of the Broadmoor Presbyterian Church holds its annual Spring Tea.

Sponsored by the group's executive board, the affair is under the direction of Mrs. H. C. Sunderman, general chairman; Mrs. William Floyd, refreshment chairman, and Mrs. Edward Smith, flower chairman.

Fifteen models have been selected to don styles from the unusual collection of American clothing belonging to Mrs. T. L. Leach of San Mateo. The collection embraces several hundred complete vintage costumes ranging from the anti-bellum period through bustle-styles, hobble-skirts, flapper-fringes and wartime shoulder pads.

The models are: Mrs. Neal J. Anderick, Mrs. Thomas Burke, Mrs. Remo C. Cuniberti, Mrs. Edward deMartini, Mrs. Roy Edmonston, Mrs. Thomas Eichner, Mrs. James Schon, Mrs. Herman Holleyman, Mrs. Jerome Jacobson, Mrs. Trevor Jones, Mrs. Albert Schlatter, Mrs. Charles Sobiek, Mrs. Frederick Teffault, Mrs. Joseph Yarmoth and Mrs. James Hamilton.

The fashion show and tea will be held from 2 until 4 p.m. in the Social Hall of the church, 377 87th st., Broadmoor.

New York's county of New York is the smallest in the continental United States being only 22 square miles in area.

FIRST ANNIVERSARY—Mr. H. Luggage and Leather Goods Shop in the Westlake Shopping Center celebrates its first anniversary this week. Mr. H., a favorite shopping place for the ladies, features a handbag selection of clutch purses, "all-purpose" bags and quality leather handbags. Mr. H. has expanded its gift department to include items for mom, dad, "him and her."

Homemaking Classes to Model Clothes

Time will play an important part in the May meeting of Westmoor PTA. "Round the Clock" will be the theme when girls of the homemaking classes of Westmoor model the clothes they have made. Parents and friends will find students have used their time to great advantage in the sewing classes. Sleep wear, play clothes, school attire, afternoon and evening dresses will be modeled.

Refreshments will be made and served by the students of the homemaking classes.

The date is May 16. Installation of officers and awarding of scholarships are also slated for the final meeting of the year.

Plan to take time to attend the May meeting of Westmoor PTA.

Make-up Secrets Told To Y-Wives

You are invited to learn the beauty secrets of applying make-up as Barbara Barker will present a program where volunteers will be participating models for this timely art.

The make-up which will be used has been approved medically. Also present will be a guest representative of Studio Girl Cosmetics, Miss Louise Havens. She will also answer any questions you might ask.

This class will be held on May 6 at the Westlake Bowl's Banquet Room from 9:30 to 11 a.m. for the Westlake Y-Wives.

Mrs. Barker is a member of the recently organized Pacifica Y-Wives group where she also gave a demonstration on make-up application on April 23. By attending and completing a YWCA course on charm and make-up she decided to venture into this field further. Another one of her interests and part-time job is a representative of Sarah Coventry Jewelry.

Plus all the above she is also a busy wife and mother of three pre-school children and one kindergartener.

Among her other talents, she can sing and play the guitar.

Barbara Barker comes from Corpus Christi, Texas and has resided in San Bruno and just recently moved to Linda Mar.

President Norma Washford, secretary-treasurer Elsie Dab, hostess Mary DeWitt and YWCA's coordinator Eleanor Raymond will be glad to welcome any visitors and will introduce you to the Y-Wives members and friends. Nursery service plus coffee and tea is provided for only a fifty cent fee.

Overseas Population Grows at SFS

The overseas student population continues to grow at San Francisco State College where more than 575 of its 24,000 students currently enrolled are from 76 countries over the world, according to college officials count this week. This is an increase of more than 100 over last year.

Japan, with 57 students, leads the international groups on the campus followed by Hong Kong with 49, Iran third with 31, and Taiwan fourth with 28.

Other countries with sizeable representations at S. F. State include the following: the Philippines, 24; Germany, 19; Korea, 17; Mali, 14; Canada, 13; Greece, 13; Italy, 12; and Liberia, 12.

The African Mali Project, started this semester under the auspices of the United States State Department, has brought its members to the college as a special group to receive instruction in language and teacher training. The Mali group will remain here through the summer.

Russia is listed as the native land of two State students: Irene Chramko, 48, at 823 - 38th avenue, studying for her master's degree to teach science and foreign languages, fled Russia with her family in 1918 and has since lived in Poland, Germany and Morocco. She was graduated in Warsaw and served at the Munich University and later at the Kaiser Wilhelm University.

Lydia P. Murray, 38, at 2567 31st avenue, majoring in biology, came from the Ukraine. She has worked here as a dental assistant.

Dr. Hugh S. Baker, professor of English, serves as overseas student advisor.

Advanced First-Aid in Pacifica

An advance first aid class will be held at the Red Cross office in Pacifica starting on Wednesday, May 1, and continuing to June 19, with Mary Beauvais as instructor.

Class hours will be from 10 a. m. until noon. Prerequisite for the class is that students must hold a current standard first-aid card. There is no charge for the course.

Further information about the class is available from the Red Cross at 600 Palmetto avenue in Pacifica, or by calling 355-4194.

Richter's Exhibits at Fashion Exposition

A living room in the Spanish era style and a dining room with Oriental decor and accessories will constitute the exhibit of Richter's Interiors of Daly City in the Furniture Fashions Exposition at Brooks Hall in San Francisco, Saturday, May 11, to Sunday, May 19.

The display is under the direction of Robert W. Fossum, manager.

Chamber Tells Bayshore City "You Are Important"

Dear Bayshore Citizen:

YOU ARE IMPORTANT!

The area of Bayshore now unincorporated has only a small voice in governmental operations, however, you will have an opportunity to become a part of a growing, dynamic community. This will come about only if sufficient interest is evidenced by the taxpayers, industrial leaders, and home owners in the Bayshore area. Your future as an unincorporated entity is uncertain insofar as tax rates are concerned and the level of services that can be provided by the various districts in your area. Daly City has financial stability and a bonded indebtedness which is one of the lowest in the state of California.

Set forth in the following paragraphs is information which may be of interest to you in connection with the annexation problem. The following are the most important topics:

Section 1—Taxes and Finance Considerations.

Section 2 — Public Works Considerations.

Section 3—Other City Services.

Section 1—Taxes and Finance Considerations:

It is often mistakenly believed that annexation to the City of Daly City will greatly increase the property owners taxes. This is not true. You will find attached comparative tax rate of the present jurisdictions as compared to Daly City. As you can see there is a slight increase at this time. However, this is more than offset by the increased city services which your area will gain. Should Brisbane's annexation be completed, Bayshore will be without a tremendous amount of assessed valuation which will affect the tax rate of the districts in your area.

In fact it has been indicated that in order to provide the level of fire services that you now have, it will be necessary to double the current rate of .9467 per $100 assessed valuation. You can see, therefore, that the increased cost may far exceed the present small increase by coming into Daly City. Taxes are based on the assessed values of property established solely by County Assessors. The City of Daly City has no part in fixing the assessed value of property within or without the city.

Daly City tax rate has already leveled off as evidenced in the past three year's operation. With continued expansion of the commercial areas in Daly City, the sales tax revenues have jumped tremendously. It is the policy of this city to use one-half of these revenues to maintain an equalized tax rate.

If Bayshore remains unincorporated, your assessed valuation and tax base will remain constant or as indicated, will be greatly reduced and, therefore, you are subject to much larger increases since you must compete with all surrounding communities in the payment of salaries and maintenance of all your facilities.

You also have the advantage of the fact that the money you pay in taxes will be used locally and will not be subject to conditions which affect segments of the county which are miles from your locality. Daly City is immediately adjacent to you already, and it would be logical that you should be associated with a going concern of more than 50 years experience.

Section 2 — Public Works Considerations:

a. Your area should consider strongly the fact that the subventions received from the State of California are used on a local basis when you are part of an established community. One of these subventions is your state gas tax funds. What does Daly City do with their gas tax funds? They are spent on resurfacing the streets of which your community would benefit immediately since there would be an immediately street resurfacing program. Streets will be swept weekly and even more often in commercial areas.

b. Your area will be scrutinized more closely by professional planning technicians and you will have the benefit of planned growth. Planning includes adequate park facilities, and even though commercial and industrial developments are not affected directly; they are concerned indirectly since employees working in these establishments make use of these facilities as well as subsequent services mentioned herein, such as recreation and library.

c. The water system will be administered by professional and technical people which is evidenced by the rapid expansion and improvement program now in operation in Daly City. Your area will be considered in all of the major capital outlay programs that the city is undertaking.

Section 3 — Other City Services:

Police

The City of Daly City police protection personnel and services will be extended to the area by annexation and you will receive regular patrolling and assistance in traffic safety.

Fire

You already have the services of an efficient fire protection operation. However, here again, consideration should be given to the fact that your community has to compete with surrounding areas in the payment of salaries and maintenance of equipment. If your assessments are limited, the only way your taxes can go are up.

Recreation

Daly City's professional staff of recreation leaders provides and supervises activities for all age groups. Whether it be the home owner, employees working in plants or commercial areas, these facilities are available for everyone who desires to use them.

Along the recreation lines perhaps a brief word should be mentioned here regarding the Cow Palace.

The Cow Palace is an operation under the jurisdiction of the State Agriculture District of the State of California. Daly City would not be in a position to dictate policies for operation; could not levy additional taxes, or in any way control the activities or their functions.

The fact that this establishment has become associated with the name "San Francisco Cow Palace" and has become famous as such, it would seem inconceivable for Daly City to try to change such an association. After all, the more functions that are held, the more Daly City would benefit in the one and only phase of this famous operation's inclusion in Daly City — namely sales taxes. This is the only benefit; instead of the sales tax going to the county, it would instead go to the City of Daly City. There is no ulterior motive on Daly City's part in the inclusion of the Cow Palace in the annexation proceedings.

Library:

Daly City has a working arrangement with the county and in the last two years has expanded the library facilities in an up-to-date, modern manner. Your area would be included in this expansion.

Summary:

Financial

1. Small property tax increase, however subject to adjustment with expansion.

.2 Use of all tax monies locally.

3. Broad financial tax revenue base as part of Daly City.

4. Part of a financially established community.

Public Works

1. Professional planning.
2. Water improvement and professional and technical operation.
3. Major street and storm drain program.
4. Regular maintenance and cleaning of streets.

Other City Services

1. Planned professional police and fire services.
2. A voice in city government.
3. Planned recreation.
4. Planned library services.

Daniel Webster Participates In Public Schools Week

Daniel Webster School participated in Public Schools Week with Open House in all of the classrooms. A Civil War play and an all-school art exhibit on Wednesday evening in the multi-use room. Friday afternoon there was a Physical Fitness play for the parents of two classes.

The Wednesday night play was presented by the fifth grade pupils taught by Miss Eunice Wright and Mr. Tom Notaro. Group singing in the play was accompanied on the piano by Miss Wright. About 300 persons attended the performance.

The Friday program was titled, "A Family Affair," and was put on by the second grade class of Mrs. Alice Elario and Miss Nancy Palmer's Special Class.

Plans at Daniel Webster are progressing for the May Festival on May 3. The program will include: Presentation of the Colors; Mitchell Chernock, William McIntyre, Gary Peachey, Thomas Mennitta, Mark Wilson. Danish Dance of Greeting, Kindergarten classes; Shoemaker Dance, First Grade classes; Cshebogar — Hungarian Dance, Second Grade classes; Maypole Dance, Third Grade; Virginia Reel, Fourth Grade Classes; Kinder Polka, Third and Second Grade Classes; Pop Goes the Weasel, Sixth Grade Classes; Physical Fitness Exercises, Fifth Grade Classes; Dancing Through the Fresh Air, Special Class.

Field trips continue to be an important part of the Daniel Webster curriculum. Mrs. Ann Gray and Mrs. Barbara Schwartz recently took their sixty pupils and eight mothers on the one hour San Francisco Bay harbor trip. The trip provided valuable experiences related to curriculum work in the Social Studies.

The children came back with vivid impressions of the bridges, islands, ships in port, trade and the importance of the harbor on the history of San Francisco in relation to its effect on Daly City.

Mothers accompanying the group were: Mrs. Gladys Porter, Mrs. Joyce Piazza, Mrs. Harriet Misterman, Mrs. Jan McDaniel, Mrs. Ian Campbell, Mrs. Lawrence Delmas, Mrs. Harold Fox and Mrs. Mary Paris.

Mrs. Cameron's sixth grade class visited the Caswell coffee plant in San Francisco on April 16. The twenty-five children came back with much helpful information for their study on South America. They were surprised at the many different types of coffee from all over the world and how coffee is tasted and bought. They were amazed at how automation has eliminated manual labor.

The tour started on the fourth floor where the processing begins and gravity passes the coffee through chutes to the lower floors. On this floor the coffee is sorted, examined and blended with coffees from all parts of the world. It is here the coffee is roasted in an automatic oven.

Each floor does one particular process. On the third floor the coffee is ground for different uses; for restaurants, homes, hotels and ships.

The second floor is where the coffees are packaged according to the needs of the consumers.

The first floor holds the offices and the receiving department where bags of coffee from many lands are unloaded.

Seventy-three pupils of Miss Eunice Wright and Mr. Tom Notaro, Mrs. Mindel Cameron and Mr. Glenn Forcum attended the Youth Symphony at the San Francisco Opera House April 17, 1963.

The program included the Pinocchio Overture by Ernest Toch, Symphony No. 36 in C Major by Mozart; Stravinsky's Firebird Suite; Little Train of the Caipira by Villa-Lobos; "Farandole" from Bizet's L'Arlesienne Suite, and of great interest to students, Beethoven's Concerto for Piano and Orchestra No. 1 in C Major, with Joel Tepper, a high school student, as guest artist. The popularity of all available opera glasses during this selection showed the intense interest that someone closer to their own age evoked.

The children's interest in the beautiful music and the awe with which they admired their impressive surroundings were reflected in their admirable behavior. Probably the best result of this trip was the student's plea to her parents to PLEASE take her back to another symphony performance.

Picture File For Visual Aid At Vista Grande

What can we do for you?

This was asked the teachers and principal of the Vista Grande School a year ago last Spring by the PTA. A request for a permanent picture file to be used by all teachers was the answer. These would be used as visual aids. Mrs. Charles Mihovich volunteered to be the Chairman for this unusual project.

Mrs. G. Panthaleoni and Mrs. E. Graofalo were generous with their help in going through the magazines to find suitable picture subjects (Community Helpers, Pets, California History etc.). Mrs. Catherine Janzen donated large, colorful pictures.

The Board of Education was most helpful and generous by donating the paper and the use of the mounting machine. For her help in mounting and labeling the pictures we thank Mrs. Wm. Gfroerer.

A partial display of the pictures was recently seen during the school's Open House on April 24, 1963, during Public Schools Week.

Over half of California's irrigated agricultural acreage lies in the San Joaquin Valley.

A. Lincoln Kids Cruise the Bay

Thirty children from the third grade class of Miss Jacqueline Long, Abraham Lincoln Elementary School, enjoyed a Bay Cruise on Monday, April 22. The voyagers went aboard the Harbor Princess at Pier 43½ on Fisherman's Wharf, and once settled began to cruise the Bay.

En route they passed the Marina, the Presidio, and doubling under the Golden Gate Bridge, they observed the Mile Rock Lighthouse and Fort Baker. Serenely they steamed past Angel Island, catching glimpses of Richardson Bay, Sausalito and San Rafael-Richmond Bridge.

Slowly the Harbor Princess bore her guests past the now deserted Alcatraz Island, Treasure Island and Yerba Buena Island. Then circling under the Bay Bridge, the cruise ship started home to its own dock, affording dockside views of the Ferry Building, Telegraph Hill and the famous sailing ship, Balclutha.

The children's interest was focused not only on the many landmarks they were passing, but also on the variety of sea craft they observed on the surface of the Bay waters.

Accompanying the class were: Mrs. Eugene Biedermann, Mrs. Rubin Tepper, Mrs. Edward Curtis and Mrs. Lee Riewerts, all parents of the students.

File Claims Early For Your Retirement

It is never too early to make plans for your future retirement, according to Mrs. Mercia Leton Kahn, social security district manager of the San Francisco (Mission) district office. She said the folks in the social security office will be glad to tell you what papers you will need when you file your claim for payments.

"You should make your claim for social security retirement payments two or three months before you actually retire," Mrs. Kahn said. By doing this, you will get your payment on time when you retire.

Mrs. Kahn warned older workers against waiting until after retirement to make their first telephone call to the social security office. Some often find that they could have gotten benefit payments even though still working. The best way to avoid this kind of loss is to check into social security before you retire.

If you are near age 62 and have never checked your social security, do so today. Even if you are not ready to retire, you should check on your social security when you reach age 62, 65, and 72, Mrs. Kahn advised. A telephone call is all that is usually necessary. The San Francisco (Mission) social security office is located at 761 South Van Ness Avenue. The telephone number is MIssion 7-9722.

Hillside PTA Officers Named

Hillside PTA of Colma K-6 and Upper Colma schools held installation of new officers in the multi-use room of Colma School. The meeting was opened with the presentation of colors by Mrs. Parrish's Brownie Troop 604.

Mrs. Reta Poole, outgoing president, introduced Mrs. Norma Maita and Mrs. Dorothy Yaroma, who installed the following officers for the new term:

Mrs. Barbara Vollers, president; Mrs. Mary Luskutoff, vice president; James Thompson, honorary vice president; Mrs. Beatrice Menconi, recording secretary; Mrs. Clair Carey, treasurer;

Mrs. Theresa Mortara, financial secretary; Mrs. Beatrice Themis, auditor; Mrs. Ruby Dezman, historian; Mrs. Elizabeth Kirby, corresponding secretary; Mrs. Jerry Cickers, parliamentarian.

Corsages were pinned on the ladies and boutonnieres were given to the men.

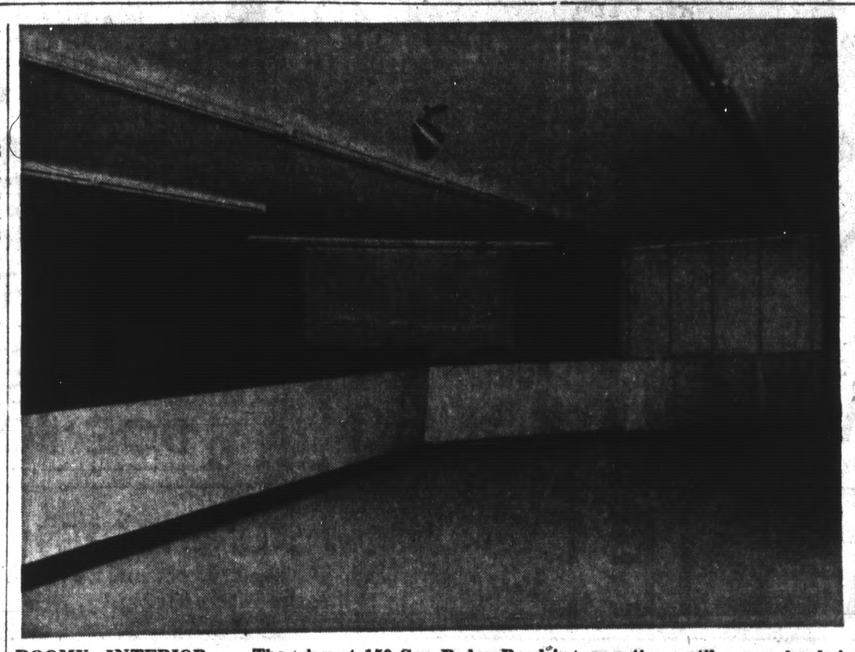
Miss Hester Blaylock presented the year book to Mrs. Reta Poole. Mrs. Elizabeth Kirby read the historian's report for the year.

Mr. Ogden's seventh and eighth grade music classes entertained, playing songs in the band. Hostesses for the evening were the first grade room mothers.

Mrs. Eleanor Zenovich, principal of Colma K-6 School, announced that the May Day program will be held May 3.

SCHOOL BUS

More than one out of three pupils in America travels to school by school bus, according to the National Automobile Club.



ROOMY INTERIOR — The First National Bank of Daly City opened its doors Thursday at 150 San Pedro Road in Daly City. The bank will serve as headquarters of the new operation until a new bank is constructed at Mission street and Vista Grande avenue.

Vista-Grande PTA Holds May-Day Fest

On Tuesday, May 7, the Vista Grande-Thornton PTA will hold its Annual May Day Festival and Hotdog Lunch. As in preceding years the students will give the parents a short program with many colorful dances and the crowning of the King and Queen. After the program, a Hotdog Lunch will be served.

Many new ideas will be presented in the booths. We sincerely invite everyone to come and spend a pleasant day at our School. Perhaps you will find something new and different as a present for the coming Holidays.

RODEO

Rodeo, located in Contra Costa County, is reported to have been at one time the scene of large cattle roundups.

Primary Grades Perform Dances

Kindergarten A, Mrs. Miriam Holmberg and Mrs. Florence Ofenhiem, teachers, demonstrated Reading Readiness at three different hours on Wednesday.

The primary grades entertained visitors with a Spring Dance Festival on Thursday, April 25. The first grade classes of Mrs. Carole Gillis and Mrs. Arleen Byers opened the dance spectacle with "Childrens' Polka."

They were followed by the "Blue Bird" and "Chimes of Dunkirk," performed by the first grade classes of Mrs. Lea Fox and Mrs. Kathleen Schweifler. Next, the second grade classes of Mrs. Barbara Russell and Miss Barbara Bennett danced "Little Brown Jug" and "Ach Ja.' From Mrs. Lovina Pendleton's second grade and Michael Penning's third grade came participants in "Pop Goes the Weasel." Miss Lynette Hoffman's and Miss Jacqueline Long's third grade dancers concluded the festival with "Minuet" and "Hunting We Will Go."

Public Schools Week At Abraham Lincoln

Abraham Lincoln Elementary School held its annual Public Schools Week from Monday, April 22 through Friday, April 26.

On Monday four upper grade classes gave classroom demonstrations for the visiting parents. Mrs. Esther Turcott's fourth grade presented an arithmetic lesson, while the fourth grade of Mrs. Florence Lang delivered a literature session. Social studies demonstrations were given by the fourth-fifth grade class of Mrs. Joan Williams and the fifth grade of Mrs. Nettie Herbert.

Tuesday was a popular day for Daniel March's fourth grade who presented a spelling lesson. The two kindergarten classes in Room B, Mrs. Kay Bollendonk, teacher, impressed their parents and friends with Reading Readiness demonstrations on the same day. That night all classrooms were open, teachers present, for visitation by interested citizens.

ALFRED O. BELOTZ

Belotz New Vice Pres. Of Boy Scout Council

Alfred O. Belotz, prominent Daly City civic leader and Westlake business man has been elected vice-president of the San Francisco Council, Boy Scouts, to serve as the District Chairman of the Lake Merced District. Mr. Belotz will take office on June 1. The Lake Merced District which he will supervise comprises the Ocean View section and Park Merced area of San Francisco, Daly City, and Colma. The 54 units of this area, which serves 1561 boys in Cub Packs, Scout Troops, Explorer Posts and Sea Scout ships, is second largest in the San Francisco Council.

Belotz' notable volunteer career in Boy Scouting spans a period of 23 years. During this time he has given leadership or supervisory responsibility to every phase of the Boy Scout program. Currently serving as the Committee chairman of Cub Pack 248 of Westlake, he was formerly Cubmaster of the same unit, Scoutmaster of Troop 248, sponsored by the Westlake Improvement Association, and has also served as Leadership Training chairman and on the commissioners' staff of his home area. As a Scout, Belotz earned the Eagle Scout rank with bronze palm. He started Scouting in Narraganset Council, Rhode Island, and formerly served as a commissioner in the Silverado Area Council of Northern California.

Also elected to serve under his leadership were Edward D. Morgan, Superintendent of the Jefferson High School District, Donald Davis, Manager of Westlake's J. C. Penney store, and Donald King, attorney. Members at large elected to serve on the District Committee for the coming year include: Robert E. Hunter, Charles W. Meyers, Edward Frank, John Dunn, Joseph Verducci, Robert Evans, Judge Frank Blum, Samuel Chandler, Father Matthew Sullivan, James Belsha, Rabbi Herbert Morris, Raymond Lapin, Ernest McAvoy, A. D. Kuperstein, Walter Michels, Jack Hurt, McMorris Dow, Kenneth Warde, Kenneth Sale, Lennert Johnson, Rev. John Washington, Lloyd Brown, Dr. Martin Garshman, Allen Simon, and Rev. Clark N. Edwards.

Egyptology Talk At B. Franklin

A high point in observance of Public Schools Week at Benjamin Franklin School was a visit by Dr. Becker-Colonna, head of the archeological department of San Francisco State.

Her lecture, illustrated with slides on Egyptology, was presented to seventy pupils from Mr. Puhr's social studies classes who for the past several weeks have developed and culminated a unit on Egypt with the assistance of Mrs. Janet Gunthorp, student teacher from San Francisco State.

Of special interest were pictures of ancient tombs, temples, and Egyptian artifacts of great antiquity.

Dr. Becker-Colonna was assisted in her presentation by Mrs. J. Flack, Benjamin Franklin School Librarian.

Ben Franklin PTA Installation Tuesday

Installation of the new officers for 1963-1964 and the "Spring Festival" will highlight the May 7 meeting of the Benjamin Franklin Junior High School PTA. The meeting will start promptly at 7:30 p. m.

Mrs. Albert "Eunice" Altman, who resides at 286 Wilshire avenue, will be installed as president. Mrs. Altman has three children, Pamela, Mark and Lynne, in our school districts. For several years, she has been active in PTA groups and is an active member of the Lakeside Presbyterian Church.

She has given much time and effort to youth groups within this area.

The following officers will be installed at the meeting:

Mrs. Barbara Aron, vice president; Mrs. Blanche Lewis, recording secretary; Mrs. Jean Bertkin, corresponding secretary; Mrs. Fay Yeager, financial secretary; Mrs. Kay Glebow, treasurer; Mrs. Bunny Gillespie, historian; George Brenk, auditor; Mrs. Jessie West, parliamentarian. Mrs. Kevin Donovan, outgoing president, will be the installing officer.

The school glee club and orchestra, under the direction of Mrs. Black and Mr. Charpen, will present the "Spring Festival."

Son Born to Mr. and Mrs. Angelo Sfarzo

A seven pound, 11 ounce son was born to Angelo and Jeannette Sfarzo on April 26 in St. Luke's Hospital in San Francisco.

Angelo is owner of Angelo's House of Music at 960 Geneva avenue.

They have two other sons, Gregory, 5, and Steven, one year old.

Lubricants Course

Richard L. Miller of 555 Newman drive, South San Francisco, has been selected by Shell Oil Company to attend a special automotive fuels and lubricants course in Santa Rosa.

Miller, a salesman in the company's San Francisco district, will spend two weeks, starting April 29, studying recent product developments and merchandising methods. Also attending will be 20 other company salesmen from California, Oregon, Washington and Hawaii.

Flashing Light Means Yield Right of Way

Capt. John W. Kennedy, commander of the California Highway Patrol's Redwood City area, cautioned motorists that they are required to yield the right of way upon approach of an emergency vehicle with red light showing and siren sounding.

"Sometimes in confusion, drivers continue to move because they are unsure from which direction the emergency vehicle is coming.

"The law states that upon immediate approach of an emergency vehicle, drivers shall move to a position parallel with and as close to the right-hand edge of the road or curb as possible, then stop. They must remain standing until the emergency vehicle has passed."

"Never stop in an intersection," the captain warned.

He added that "pedestrians are required to remain on the curb or other safe location. If they are in the roadway, they should proceed to the nearest curb or safe location."

Westmoor Dance Group Open House

An invitation is extended to all parents and friends of the Westlake dance group to attend an open house on May 17 at 7:30 p. m. at the Abraham Lincoln School in Westlake.

Performing will be the preschool/kindergarten technique (pre-ballet) classes and the ballet classes. This demonstration is given to show the parents the work their children have learned during the year.

This is the seventh successful year the Westmoor dance group has held classes, and this non-profit group is one of several affiliated with the Dick Ford dance studio.

Anyone interested is invited to attend.

Children's Education Topic at Olympia

The role of the school board in our children's education will be the topic at the next Olympia PTA's Parent Enrichment Program, which will be held Wednesday, May 1, at 10 a. m. in room 4.

Thomas F. Noonan, chairman of the Jefferson Elementary School's board of trustees, will be the discussion leader.

We can learn how the board works in relation to our superintendent of schools; how the board makes its policies; how we can make our views known to the board, and many other vital issues.

Mrs. Robert Barr is program chairman.

PAVED HIGHWAYS ON ANCIENT TRAILS

Pow Wow Theme For Scout-O-Rama

Cub Scouts Allan Riley and Geoffrey Myers of Pack 113 at Lakeside Presbyterian Church have fun with a papier-mache frog as their pack makes last-minute plans for their frog jumping contest in the big Scout-O-Rama, to be held at the Cow Palace on May 3 and 4. Pack 113 will feature 45 real frogs, flown specially to them from Calaveras County on May 3, with the Calaveras mayor also coming to the opening show on May 3 to make sure the contest is properly set up.

Theme of this year's Scout-O-Rama is Indian Pow Wow. Many packs and troops will demonstrate American Indian handicrafts and will feature Indian dances and costumes.

About 8,000 Daly City, Brisbane and San Francisco boys are expected to take part in the more than 250 booth exhibits and special arena shows during the three performances.

Friday and Saturday nights the shows will run from 7 'till 10 p.m., with a Saturday matinee from 2 'till 5 p.m. Tickets to the Scout-O-Rama are $1 each. Admission for children is free, when they are accompanied by an adult.

Among Daly City units already signed up for participation in the Scout-O-Rama are: Troop 243, Harry L. Hettel, Scoutmaster, 423 Irvington. Troop 243 will man a booth demonstrating trail cooking and camping. Cub Pack 360, whose Cubmaster is Robert H. Washford, of 265 Belhaven, have been selling Scout-O-Rama tickets, and will attend the Scout-O-Rama, but do not have a booth display. Troop 343, under direction of Scoutmaster E. G. Beukers, of 43 Lakemont drive, will have a double booth where they will demonstrate Indian cooking. Daly City's Pack 64, Cubmaster J. Norman, 26 Morningside drive, will operate a country store of the 1890s, with Indian reservation decorations. Troop 392, Scoutmaster Vernal Wallace, 201 Abbott avenue, are also selling Scout-O-Rama tickets, and have not announced their booth subject yet. Cub Pack 343 will have a booth exhibit of collections and crafts made by the boys. Their Cubmaster is Robert L. Pederson of 22 Wilshire avenue, in Daly City. Pack 248, James W. Vick, Cubmaster, 364 Glenwood avenue, will demonstrate an Indian corncob throw game. Cubmaster Robert C. Max of 76 Royce way is preparing his boys for a musical hoedown.

Pack 245, with George W. Sellers as Cubmaster, 651 Niantic avenue, will show an Indian village as their part of the Scout-O-Rama. Troop 392, Vernal J. Wallace, Scoutmaster, 201 Abbott avenue, have chosen to demonstrate fingerprinting. Cub Pack 350 will do a takeoff of one of the television series, with a spacemobile. Their Cubmaster is Joaquim Pereira, 34 Garwood drive. Days of the Gold Rush will be the theme for Pack 261, with Cubmaster Stanley E. Kittell, 225 Second avenue. Troop 369 will share a double booth with their Cub pack, and will demonstrate hiking and camping equipment, under the leadership of Scoutmaster Robert D. Colclough, 428 El Dorado drive.

The Pack will have a Gold Rush theme. Their Cubmaster is Frank Beller, 22 Edgemont. Boys from Pack 62 will dramatize "The World Around Us," directed by Cubmaster Raymond E. Garcia, of 1130 Brunswick street. Scoutmaster Earl S. Herald, of television fame, will help Troop 63's boys with a booth exhibit of reptiles.

Pack 63 will have an Indian village exhibit, led by Cubmaster Wilson Fitzgerald, 36 Westfield avenue. Although Cubs of Pack 347 won't be able to participate in the Scout-O-Rama because of their Parish Festival, they have been busy selling tickets, under direction of Cubmaster William Upp, 174 Westbrook avenue. Physical fitness and skill games will feature the booth exhibit of Pack 362, with Leland Myers, 60 Fernwood street, as Cubmaster.

Nearly 1,000 Daly City and Colma boys will take part in San Francisco council's Scout-O-Rama, with other packs and troops yet to announce their exhibits.

CUB SCOUTS Allan Riley and Geoffrey Myers of Pack 113 have fun with a papier-mache frog illustrating their Frog-jumping contest.

Cub Pack 259 Make Space Rockets

Admiration was loud and clear for the sharp looking space rockets made by the Cubs of Pack 259. Everyone fore the April pack meeting before the April pack meting began, and excitement ran high in expectation of the big races later in the evening.

Cubmaster Sal Scaduto opened the meeting, and Den 2 presented the colors and led the pledge of allegiance.

Carlos Mattson, committee chairman, joined Scaduto in welcoming two new members into Pack 259. Jim Morton and Chris Mallos have learned all the Cub Scout requirements in order to become members. Bobcat pins were presented by Cubmaster Scaduto and all Cubs and leaders stood and repeated the Cub Scout promise with out new Bobcats, then gave them a "grand howl" of welcome.

Den 1 presented a display of recent work, first was a lovely little vase made from a jar, rolled in crushed eggshells, and painted. Coffee can drums were very clever, and Easter egg decorations made of dyed blown eggs. Plastic bleach bottles were converted into dashing piggy banks. Den 1 also produced a new staff top, a handsome Indian headdress, with fancy feathers trimmed with fur. Very good displays, Cubs.

Mr. Rubenich, our institutional representative, and Mr. Mattson came to the front of the room. Mr. Rubenich had with him our new pack charter, and he spoke of the goals of our pack, as mentioned in the charter; character building, citizen training and physical fitness. He presented the charter to Mr. Mattson in behalf of our sponsor, the Garden Village PTA. Pack 259 also received a 100 per cent Boys Life subscription award.

Scout-O-Rama plans are well organized and this will be a Broadmoor community effort with Cub Pack 259, Boy Scout Troops 129 and 259, and Explorer Post 129 joining forces to present "Advancement on Parade." Scout-O-Rama will be held March 24 and 25 at the Fiesta building in San Mateo.

Den 5 Skit

"Up Above and Down Below," the theme for April, was presented as a skit by Den 5 Bedtime found a Cub musing about science fiction as his mother got him off to bed, and his dreams brought some unusual creatures into view on stage. Sailing along come Wynken, Blynken and Nod in their wooden shoes, fishing for stars; jumping through the sky came the cow that jumped over the moon. A Russian spaceman made a trip into space, sampled the green cheese moon, and decided he would never return to Russia. Then an angel floated into view. Angels spend their time riding clouds and practicing on their harps. This particular angel had been a den mother on earth.

Looking for a '63 broom was Sandwich (just call her "Sand" for short), but Peter Pan could out-fly them all, for he had some fairy dust. He tried it on the sleeping Cub Scout, the Cub tried, but fell out of bed, and out of his dreams. A very good skit, Den 5.

Cubmaster Scaduto presented awards to our hard-working Cubs as follows:

Wolf award—Bob Muller.

Bear award—Mark Mayhew.

Lion award—Mark Impeartrice.

Gold on Wolf—Bub Muller.

Gold on Bear—Randy Bushner.

Gold on Lion — Mark Impeartrice.

Silver on Wolf—Dennis MacPherson (2), Steve Gomez (2), Bob Muller, Jim Tripodes, Sandy McDonald, Steve Peters, Bruce Watts, Steve Paras, John Heissenbuttel, Mark Impeartrice and Pat Meade.

Silver on Bear—Tim O'Brien and Steve Scaduto.

Silver on Lion—Tim Orton and Mike Cestone.

One Year Pin — Mark Impeartrice and Jim Tripodes.

Webelo Sleeve Badge—Mike Cestone, Jim Esposto, Mark Impeartrice and Max Bushner.

Assistant Denner Stripes — Mike Peters.

Rocket Derby

Rocket Derby time — the fathers got everything set up for the races, and off they went. The rockets went whizzing by at incredible speeds, with only a few mishaps.

Heat by heat, the Cubs raced until most were eliminated; semi-finals, then finals. Winners in the finals were Bruce Watts, first; Steve Scaduto, second; John Roller, third. Model kits were awarded as prizes to the winners. Congratulations, Cubs.

After the race, Den 2 retired the colors and our April meeting was over.

Early Saturday morning, April 20, the Webelos den met Boy Scout Troops 259 and 129 and went off on an overnight camp-out in Junipero Serra Park.

Admittedly, the weather was less than perfect but the boys certainly didn't mind. The Webelo Cubs were exposed to Scout lessons in axemanship, first aid, compass work, and knot tying. The Cubs helped to set up and break camp, and they enjoyed a nature hike with the senior staffs of both troops. On Sunday, April 21, the rest of the Cubs from Pack 259, with their fathers, joined the camp-out for a picnic lunch and games.

Boy Scout Troop 185 Meeting Held

The First Court of Honor of Daly City's newest Boy Scout Troop No. 185, San Mateo Council, was held April 25 at the home of Scoutmaster Robert A. Schwindt, 51 Lincoln avenue, Daly City.

Four of the boys, Nicholas Wellisch, Fred Sims, Gary Gaviglio and Russell Somdahl, were presented with their Tenderfoot Badges, and Carl D. Barnes received his Second-Class Badge. Mr. Ernest Casados, Scout executive, and Mr. Ray Stull, commissioner, San Mateo Council, made the presentations. Pastor Kenneth Hanson, of Westlake Lutheran Church, sponsor of the troop, also attended, as well as family and friends of the boys.

Approximately four weeks ago, six boys and their parents, Carl D. Barnes, Fred Sims, Gary Gaviglio, Rudy Rosenthal, Fernando Aguilar and Nicholas Wellisch, with the assistance of Mr. Ernest Casados, Scout executive, and Mr. Schwindt organized the troop. Mr. Gaviglio was elected committee chairman.

Troop No. 185 meets every Monday night at 7 p.m. in the Multi-Purpose Room of Thomas Edison School and anyone interested in joining the group should contact the Scoutmaster, Mr. Schwindt. Boys eligible to join a Boy Scout Troop must be between the ages of 11 and 18 years. As everyone well knows, Scouting holds many opportunities for boys and this troop has many activities planned for the immediate future, including a family dinner.

At the present time the troop consists of nine boys, a healthy growth, but you can help us grow much faster.

Westside Baptist News Items

Wednesday evening, May 1, the regular Mid-week Prayer and Bible Study Hour of the Westside Baptist Church will be held at the home of Mr. Alton Swedberg, 19 Creston Avenue, in Daly City. The Pastor continues in the studies on Evangelism, thinking specifically this week about Paul as an Evangelist. Friends as well as members of the church are invited to attend.

Thursday evening, May 2 at 7:30 p.m., at the home of the newly elected Board Chairman, Mr. Gilmore Swanson, 442 Helen Drive, Millbrae, the Diaconate Board meets. For this meting the Deaconesses have been invited, as the Board along with the Pastor will map out an overall program calendar for the coming church year.

"Higher Goals" is the emphasis being stressed in the Sunday Church School of the Westside Baptist Church, during the month of May, and the first Sunday in June. This is a program with a threefold purpose: to enlist the unenlisted; reactivate the inactive; and to strengthen and deepen those already actively enrolled in the Sunday School classes. Mr. Alton Swedberg announces that the main purpose of this emphasis is not attendance goals, but activating those already on the rolls of the various classes.

"No Difference" is the topic for the Morning Worship Hour Message of Pastor A. David Donnelly, at the 11 a.m. service, May 5. At the close of the service the right hand of church fellowship will be extended to those who are awaiting church membership, having been approved by the church, and then following this, the Ordinance of the Lord's Supper will be observed.

Three youth groups meet each Sunday evening at Westside at 6:15 p.m. Jet-Cadets is a program published by the Christian Workers Service Bureau, especially for Junior age boys and girls. This group is sponsored by Mr. Clair Sturdevant.

The Junior High and Senior High Conference Youth Fellowship groups use the Youth program material published by Harvest Publications, in Chicago, the official publishing house of Conference Baptists.

Sunday evening at 7 .m. the Evening Gospel Hour meets, and this is an informal type service, with singing of favorite hymns, special music, then a brief message by the pastor. This Sunday evening, the Pastor speaks on the topic, "A Threefold Hope of the Return of Christ."

Tuesday evening, May 7, at 7:45 p.m., the Women's Missionary Society Board meets at the home of the president, Mrs. Alice Sturdevant, 111 Adrian Avenue, South San Francisco.

Westside Baptist Church is affiliated with the Baptist General Conference, and holds their Sunday services in the auditorium of the Southwood School, Southwood Drive and Hill Streets in South San Francisco.

Bethel Lutheran Guest Speaker

Honorable Walter Moeller, member of the 86th and 87th Congress from the 10th District of Ohio, will be the speaker at the Lutheran Town Hall Meeting to be held at Bethel Lutheran Church, 2525 Alemany Blvd., San Francisco, on Thursday, May 2 at 8 p.m.

Congressman Moeller served as a delegate to the Atlantic Congress of North Atlantic Treaty Organization in London and is now serving as a member of the Committee on Science and Astronautics. The Lutheran Laymen's League sponsors of the Town Hall Meeting invite everyone in the community to come and hear Congressman Moeller speak on "The Christian in Politics."

Following his talk there will be a qusetion and answer period in which the audience may participate.

INDIANS OF NEW MEXICO

Over a thousand years ago, the Indians overflowed the valleys and topped the mesas of New Mexico leaving remains of dwellings, irrigation systems, and pictographs on the cliffs that may be seen today.

SHOWBOAT TIME — Joan Cresalia and Eileen Rudovsky show a sample of some of the merchandise that will be available in their booth, "Belles and Beaux," at the Our Lady of Mercy of Westlake festival, "Showboat Time." Everyone is welcome at the festival, to be held in the parish hall on four fun-filled days, May 2, 3, 4, 5.

Discards Asked by Goodwill Industry

The first full week in May —the 5 to the 11—will be National Goodwill Week.

As you know here in San Francisco we ask the public for nothing more than repairable discards, and out of them create jobs and training for 275 disabled persons and, by careful management realize enough from the sale of the refurbished materials to meet our opportunity payroll of over half a million dollars each year.

On the national level, Secretary of Labor Willard Wirts recently stated that Goodwill Industries is doing a better job than the federal government in training handicapped people.

According to Wirts last year the government spent 70 million dollars to train 70,000 people — and that National Goodwill trained 50,000 handicapped people and spent only 43 million dollars, more than half (23,000,000) of which went to the handicapped as wages.

The reason for our good record is the wonderful support from the press. Without you it couldn't have been done, and we're all extremely grateful.

Golden Anniversary Mass Slated May 11

The Golden Wedding Anniversary Mass for all Catholic couples married 50 years or more, in the Archdiocese of San Francisco will be held at Old St. Mary's Church, California and Grant, at 4 p. m. on Saturday, May 11.

His Excellency, Archbishop Joseph T. McGucken, will celebrate the Mass and renew the wedding vows of more than 200 couples who have already accepted the invitation. The Right Reverend Monsignor James M. Murray will give the sermon and parchment wedding scrolls will be blessed and given the Jubilarians. A reception will follow in the parish hall hosted by Reverend John P. Carvlin, C.S.P., pastor of Old St. Mary's, and his Young Adult Group.

The Golden Wedding Anniversary Celebration is being sponsored by the Catholic Committee for the Aging, 251 Laguna street. They would greatly appreciate names of other Catholic couples married fifty years, or more, so that all might be honored.

The only two presidents who signed the Declaration of Independence, Thomas Jefferson and John Adams, died on the same day, July 4, 1826, the 50th anniversary of the signing.

B'nai Israel Men's Mother's Day Dance

There are only three weeks left for the Mother's Day Dance to be held at Forest Lodge, 266 Laguna Honda Blvd., in San Francisco on Saturday, May 11. Dancing will be from 9 to 1 to Ray Clarfield's musical ensemble. Kosher Style refreshments will be served.

The Men's Club of Congregation B'Nai Israel have put considerable time and effort planning this affair and have arranged a few surprises to keep the eveinig lively. Buy your tickets now and don't miss out. Tickets may be purchased from Mr. Leo Kruger at PLaza 5-8862. The price is only $3.50 per person.

FREE LECTURE on Christian Science, "How Christian Science Brings Freedom from Limitation," by Paul K. Wavro, C.S.B., of Jacksonville, Fla., member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., on Friday, May 3, at 8 p. m. in the church edifice at 175 Junipero Serra boulevard, Ninth Church of Christ Scientist. No collection taken . . . infant and child care provided. All are cordially invited. The doors will open at 7 p. m.

Christian Family Month Emphasized At Bethel Lutheran

During May, "Christian Family Month" will be observed at Bethel Lutheran Church, 2525 Alemany boulevard. The Christian Family will be emphasized in the worship services on Sunday mornings at 8 a.m. and 10:45 p.m. The focus will be placed on the father, the mother, the youth and the family.

The security of the home is being threatened severely today with the many marital problems, juvenile delinquency and other destructive forces. The home and the Church need each other.

Next Sunday, the Rev. Herbert P. Schroeder, Pastor, will preach on the subject: "Christian Fathers." The husband and father is to be an example in the home and in the Church, guiding his family.

Prior to the Donner Party tragedy, Donner Lake was known as Truckee Lake.

Children's Days at St. Paul's

Children's Day will be observed May 5 in St. Paul's Methodist Church, South San Francisco, with a special program at 9:30 a.m. under the direction of the teachers and officers of the Church School. Youth and children will present recitations, songs, and choral readings. Linda Steinert and Sandra Ferris will assist in the worship. Mrs. Jack Harrison is general chairman. A coffee hour will be served by the Junior High Department. At 11 o'clock Job's Daughters Bethel No. 255 will observe "Go to Church Sunday" at St. Paul's Methodist Church, South San Francisco.

Cottage meetings will be held the week of May 5th in the homes of members of St. Paul's Methodist Church, So. San Francisco. This is one phase of the 1963-64 Every Member Visitation Plan, the general chairman for which is Mr. Wilfred A. McCoy, Jr.

Westlake Catholic Men's Club to Meet

The Westlake Catholic Men's Club has set Tuesday, May 7, for their monthly meeting. All the men of the parish are asked to attend this important meeting and assist in the selection of a nominating committee, whose job it will be to suggest a slate of new officers for the fall term.

Many activities are planned by the club for the remainder of the term. Foremost is the upcoming "Showboat Time," the annual parish festival being held this weekend in the parish hall.

The next date to be circled is May 19, the day selected for the annual parish picnic at Linda Vista Park in Mission San Jose. A big day has been planned with something to interest every member of the family.

Tickets are now on sale for the golf stag being held on Saturday, June 15, at the Sonomo Country Club. To reserve your place for a relaxing day of golf and an excellent dinner, contact Al Swadley.

To close the year, an installation breakfast is planned for Sunday, June 9, at Joe's of Westlake after the 9 a.m. mass.

Be sure to be at the parish hall next Tuesday at 8:15 p.m. sharp. Door prizes and refreshments are promised.

Bar Mitzvah at Temple B'nai Israel

Paulette Solomon, daughter of Mr. and Mrs. Rudy Solomon of Daly City, will celebrate her Bas Mitzvah this Friday evening at Congregation B'nai Israel, 67 Los Banos avenue, Daly City at 8:30 with Rabbi Shore officiating the religious part of the service. Paulette's Bas Mitzvah part of the service will begin with a reading from Leviticus and a traditional chanting from Amos, all in Hebrew. She will also read and chant prayers in Hebrew and English. Her official acceptance to Judaism will be culminated with an oration in English.

The candle lighting ceremony for the Sabbath will be performed by Mrs. Grace Solomon, Paulette's mother.

The Oneg Shabbath will be hosted by Paulette's parents in her honor immediately following the services in the synagogue's social hall.

By dialing a telephone center in Washington, D. C., called "Medi-phone," doctors throughout the country can at any hour of the day or night receive emergency information on some 9,000 drugs now in use.

Temple Judea May 5 Sabbath Services

Temple Judea will hold its regular Sabbath Evening Services this coming Friday, May 5 at the Temple at 8:30 p. m.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate. Candle Blesing will be done by Mrs. John G. (Cotta) Taylor of Westlake. Hostesses for the Oneg Shabbat (Social) following the service will be Mmes. Mary Flores, Martin Rosenblatt, and Nathan Schafler.

Collecting Old Books

Those in the throes of spring cleaning now have a place to put those old, never-to-be-read again books. The Judea Organization of Youth, Temple Judea's Young People Group, is having a Book Drive.

Pocket-Books and books with hardbound covers (sorry — no magazines!) can be dropped off at Temple Judea —95 South Mayfair any weekday from 9 a. m. to 5 p. m. Those having a large amount of books, too heavy to carry, please call Steve Lerner of the Temple Group at PLaza 6-1848 and pick-up can be arranged. Proceeds from the sale of these used books will be used by J.O.Y. to furnish a scholarship for a worthy young person.

Doughnut Sale

Doughnuts will be sold at 85 cents per dozen, according to Mrs. William Barbour, President, Temple Judea Sisterhood, on Tuesday, May 21 at Hunt's Do-Nut Shop (235 Southgate avenue). Proceeds from this special sale will go toward the Religious School. All are urged to place orders for doughnuts on this day.

Top Students Conduct Outside Experiments

Prospective A students in Westmoor High physics classes met the challenge of an "outside project," presented by their teacher, Mr. Stuart Mepham. Several seniors offered quite varied projects for evaluation on April 22.

Marguerite Jarchow, a Reed College student enrollee, next fall, and a planned Math Major, conducted experiments with polarization. "The primary purpose of my project," stated Miss Jarchow, "is to show that light, when reflected at a certain angle from a glass surface, is almost completely polarized." The apparati, now being displayed in the physics classroom, consists simply of a flashlight, a glass plate, a sheet of Polaroid and a protractor.

Studying the basic principles behind refrigeration was the foundation of a project by Michael Hunter. The mechanical and absorption cycles of refrigeration were explored and the project concluded with the construction of a simple refrigerator "which demonstrates the mechanical cycle through the use of a common refrigerant." Mike is planning to attend the University of California at Berkeley.

Kenneth Lehrs and Tom Ottoman probed quite deeply into a complex mechanism for the conversion of rotational movement produced by a prime mover into the continuous or intermittent unidirectional movement of a load carrier. The system is known as the Dean Drive. Ken summed up the basic principle behind the drive with liquids. The project was designed to find the rate of diffusion of one liquid into another by the use of the refractive and reflective properties of light. By observing certain changes in the index of refraction of a beam of monochromatic light while two liquids were diffusing, the rate of diffusion was calculated.

Jim McDaniel and Virginia Maches collaborated on the construction of four solar cells with a kit received from the Bell Telephone Company. After the construction was completed, the cells were tested for power output.

Ticket Sales Open for Teen Springfest

Ticket sales have opened at all six junior high teen clubs for this year's Springfest "Dance Where Ya Wan'a" scheduled for Saturday, May 1 from 7 to 10 p. m. in the War Memorial Building.

Tickets to this event sponsored by the Daly City recreation department are 50 cents for junior teen club members and 75 cents for their guests. Dress for the evening will be summery dresses for the girls and slacks and a sport coat or sweater for the boys.

The highlight of the evening will be the intra-competition for the Springfest perpetual trophy by the clubs. Winner of this coveted award will be judged best junior teen club of the year. Clubs will be competing in five separate contests as means of earning points toward the overall championship. Contests are as follows:

1 — Ticket sales contest — Based on the amount of tickets sold (both member and guest) in proportion to each club's registered membership.

2 — Decoration contest — Each club will decorate a section of the War Memorial Building based on a phase of the general theme.

3 — Talent show — Each club will enter one act to perform during the dance.

4 — Twist contest — Each club will enter its champion "twist" couple to compete against the other groups.

5 — The final contest will be a King and Queen personality contest with each club entering a couple who will be judged on their personality, poise and appearance, dress and grooming, and their response to a series of questions pertaining to teen age life. Judges for the contest will be local community experts and personalities in each area.

Arrangements are being made by the student committee planning the dance, to feature a top favorite KYA disc jockey as the evening's top attraction.

French Club . . . Gourmets All

Cultivating an interest in fine cuisine, art, and music are the members of Westmoor's French Club who have recently circled three dates on the Club excursion calendar.

Place Pigalle, the celebrated French restaurant in San Francisco, will host 28 of the "laymen Frenchmen" during dinner hours, the evening of April 20.

The month of May will find the Club members visiting the San Francisco Opera House and the Palace Legion of Honor. On May 28, twenty or more of the students will join the opera-going society to see the famous "Madame Butterfly."

To see the only showing of "The Treasure of Versaille," club members will take a vacation from afternoon classes. The exhibit includes pieces of furniture, tapestries, and paintings from the days of Marie Antoinette and Louis XIV.

THREE GIRLS entered in the Northern California Photo Queen and Miss Universe Beauty Contest pose with 6 of the twenty-four trophies that will be given to the winners of the various photographic competitions at Sigmund Stern Grove in San Francisco on Sunday, May 26. The photographic contests are open to all amateur photographers. Entries for these contests close Monday, May 13, 1963. Girls who are single, beautiful, charming, gracious and between the ages of eighteen and not older than twenty-four years on June 30, 1963; who are American citizens and a resident of California for at least six months are eligible for the beauty contest. Entries for the beauty contest close Thursday, May 16, 1963. Entry forms may be secured at the Photography Center, 50 Scott street, San Francisco, 17. (Left to right:) Veronica Weir (Burlingame), Barbara Riley (Berkeley), Gerilynn Sturdivant (San Francisco).

Blue Ribbon Science Fair at Thos. Edison

The Thomas Edison Elementary School began a busy week this Monday for both spectators and participants alike. The occasion was the inauguration of the Blue Ribbon Science Fair sponsored by fifth grade students, under the guidance of Mrs. Georgina Nyhan.

The multi-use room was overflowing with projects created and designed by budding young scientists. The projects ran the gamut from water purification to electronics. Each accompanied by a well-executed diagram or detailed explanation.

This example of scientific learning put to work in the form of projects and then exhibited for parents and students is a first at Thomas Edison.

However, with the enthusiasm and results which this year's "Blue Ribbon Fair" has produced it will certainly earn a yearly spot on the calendar of events.

Fitness Test

Thomas Edison School held a pentathlon contest as a climax to their recent track and fitness meet. The contest consisted of five events designed to test specific areas of the student's physical condition: Speed, strength, co-ordination, endurance and stamina. The events were broad-jump, pull-ups, sit-ups, 50-yard dash and the "one mile" run.

Individual contestants were required to participate in all five events in the course of one afternoon. Points were awarded for each event. The winner was determinedby the total points.

School pentathlon champions were Vivian Goldman and Steve Levine, who accumulated 36 and 38 points, respectively, out of a possible 50.

Teachers Win

The women teachers of Thomas Edison faculty defeated the top girl players in a volley ball contest on Friday, April 19, by a score of 21 to 16. The game opened with the younger females quickly scoring seven points, and for a while it looked as though the youngsters would defeat the teachers.

However, true to their position, the teachers taught the girls the finer points of the game by coming from behind to gain a victory.

Both teachers and students are looking forward to playing a game each week in friendly competition.

OLPH Teen Fashion Show

The OLPH Teen Club Fashion Show entitled "Guys and Dolls" will be presented on May 18, at 1:30 p.m. in the OLPH school hall.

Raffle tickets are now on sale for 25 cents and five for a dollar. Both raffle and admission tickets may be obtained through the members or at the door.

Kindergarten Kids .. Work With Mosaics

Vista Mar School

The morning kindergarten has been having an exciting time learning about and working with mosaics. Mosaic is the art of arranging pieces of glass, rocks, enamels, and many other materials so as to form a design.

The art was first practiced by the Egyptians and Assyrians in their jewelry and furniture and attained full growth in the medieval era when it was used on monuments, walls and furniture.

The children in kindergarten room began by designing animals out of construction paper and decorating them "mosaic fashion" with small pieces of colored paper.

Next, they are going to use different colors of dried beans and peas to make a mosaic design in cottage cheese lids.

These kindergarten children have discovered that there are many exciting ways of creating a mosaic.

TEEN NEWS

Good Rating For State College Daily

The student daily newspaper for San Francisco State College, The Golden Gator, received an "excellent" rating to win a First Class Award in the Associated Collegiate Press competition of more than 440 publications, according to Fred Kildow, ACP director at the University of Minnesota.

"The Golden Gator was rated 'excellent' in most departments," Kildow said, "with 'superior' credit for its typography and photography."

Edited by Terry Link, 22, a senior from West Covina. The Gator has a circulation of 7,000.

This is the second year the San Francisco State paper has received "first class" rating. It places it in the top class of 24 collegiate newspapers of the nation.

Dr. Jerrold L. Werthimer, assistant professor of journalism, is the advisor. Mahmoud Abouzeid from Pacifica is managing editor; Jack Hubbard of Santa Barbara is city editor; Edward M. Brazil of Orange serves as photo editor; and Peter Edwards of Mill Valley is sports editor.

Hi-Fi Club Names Officers

The executive council of the Hi-Fi Teen Club at its recent meeting elected a new slate of officers to guide the club activities from May to September. Judie Reed, Jefferson High junior, was elected chairman and classmate Elfi Dahme, program chairman. Joanne Doyle, Jeff senior, continues in the role of secretary while Westmoor junior Cece Munnish assumes the newly created position of treasurer.

Coming activities for the club included a roller skating party for the first week in May, an eighth grade invitational dance in June, and a Bay cruise and boat dance in July. Currently an intra-club co-ed volleyball tournament is in progress.

This club, sponsored by the Daly City recreation department, meets regularly on Wednesday evening from 7:30 to 9:30 o'clock at the War Memorial Community Center. Membership is open to any high school aged student living in Daly City, Colma or who attends Westmoor or Jefferson. The club is under the direction of advisers Colleen Healey and George Grant.

Junior Statesmen to Meet and Legislate

Another first comes to the "Hiltons" Saturday when Westmoor's Junior Statesmen host the Golden Gate regional conference of the organization.

Two hundred representatives from as far north as Eureka will meet to legislate both bills pertaining to the Junior Statesman Organization and resolutions pertaining to a wide range of fields.

Following registration Assemblyman Leo Ryan and Attorney Thomas Jenkins will speak. At 10 o'clock the legislators will break up into discussion groups to consider proposed legislation. Following lunch the actual legislative session will begin. The President's Workshop will follow.

Operation Imagination, in which representatives take the parts of leaders of various imaginary countries setting up a government for each of these countries, is scheduled for 3 o'clock. Debates on whether or not Northern California should secede from Southern California and set up as a separate state will conclude the business part of the afternoon session.

Volleyball tournament will be held late in the afternoon followed by dinner and a speech by State Senator Richard Dolwig. A dance will complete the strenuous activities for the day.

Students Chosen for Television Appearance

KLUX television cameras rolled dramatically across the stage of the Westmoor High School Little Theater Monday with the presentation of the American Field Service benefit talent show.

Following eliminations earlier this month in which approximately 30 entries were presented, ten of the top acts were chosen for "television appearance."

Master of Ceremonies Ralph Henn was interrupted occasionally by commercial announcer John Spencer, but the show, produced and directed by drama teacher Mr. Robin Jackson, and music instructor Mr. Howard Loeffler, did go on.

Dancing to songs from "Westside Story" were Sue Bernard, Connie Baroni, Lori Apparello, Carol Bento, and Nancy Schmutz, while Linda Hurst hula danced to "Hawaiian Sunset."

Vocalists included: Francine Cosma, who sang "Summertime"; Linda Garcia, who sang "Bali Hai;" and Darlene Meir, who sang "Rock-A-Bye My Baby." "Days of Wine and Roses" was sung by Sharon Marshall.

The show's comedians were Flip Reade and Marsha Hart, who did "Honey Bun" from "South Pacific." Musicians included the W.H.S. dance band, piano accompanists Cathy Leech, Stacey Cusulos, and Carl Jacobson, and accordianist Chris Cain who played "Never on Sunday."

The show was concluded with the drama class presentation of the "Sandbox." The cast included: Glenna Frederick as Mommy, Bob Post as Daddy, John Cummings as the Young Man, Sutton Doeg as the Musician, and Linda Loftus as Grandma.

Dad-Lad Dinner at Westlake Baptist

The May meeting of the Westlake Community Baptist Church Men's Fellowship will be held on May 10 and will feature a Dad and Lad chicken dinner. Cost of the dinner will be $1.50 per Dad and $1 per Lad.

Bill White, President of the Men's Fellowship, announced that there will be a hobby exhibit put on by the boys. The displays will be judged and the boy with the finest one will receive two tickets to a Giants' Baseball Game for himself and his Dad.

Future Nurses Go Exploring

Seventeen Westmoor High School future Nurses are planning to visit the 4th annual Health Sciences Exposition at U. C. Hospital. Accompanied by school nurse and club adviser, Mrs. Phyllis Colbert, the girls will make their exploration visit this Friday.

Among the six displays the group hopes to see, are: medicine, nursing, dentistry, pharmacy, physical therapy, and dietetics. At each display there will be an expert from that particular field to answer any questions.

After seeing the exposition, which is open to the public Thursday, Friday and Saturday, the future nurses will eat lunch prepared by the hospital.

The first race for the America's cup, held in 1851, covered a 60-mile course around the Isle of Wight.

Expansion Program Set At Cow Palace

A vast new $3,044,564 expansion program is being planned to make San Francisco's Cow Palace a complete livestock and exposition-convention facility, the largest west of Chicago.

Facts, figures, a large color rendering, and a master plan of the proposed construction were unveiled by Fred P. Cox, president of the board of directors, at a press conference attended by officials of the Cow Palace.

"The need for an expansion program is urgent," stated Cox, "if we are to keep up with the demands of the livestock industry, trade shows, conventions and patrons.

"Already this year," he pointed out, "the Cow Palace has smashed all previous records for attendance and varities of entertainment. Since the first of the year, the Cow Palace has played to 686,000 people. During the month of February alone, the Cow Palace featured events and shows on 24 of the 28 days."

Cox announced that he has appointed director L. C. Smith as chairman of the committee for preparation of the Master Capital Improvement Plan.

First step in the program to enlarge the mammoth structure will be a two-story extension jutting approximately 125 feet out from the front of the main building and flanked by corresponding extensions (totaling approximately 22,400 square feet) on both the connecting north and south exhibit halls. When converted to livestock use, for events such as the Grand National or Junior Show, the expanded hall area will furnish 96 more box stalls on the lower floors.

The new second floor will house business and executive offices, banquet-restaurant and meeting rooms, press-radio-TV facilities, and an elevator to the elegant, new, glass-walled Skyroom Lounge, which will overlook the arena.

Additional space in the central area will provide more commodious accommodations for the box office, ticket selling windows, lobby, rest rooms, ticket control gates, pay phones, information booth, bank facilities, and fire, police, and first aid offices.

At the entrance, there will be an inside lobby large enough to accommodate 1,500 people, so that there will be no waiting in ticket lines outside the building as in the past.

Projected technical installations circling the arena involve construction of TV and camera spot and follow light platforms, stage lighting platforms, and a staging catwalk for lights, draperies and backdrops.

Nine stately columns, carrying out the theme of the existing, permanent structure and divided by panels of tinted glass rising two stories high, will be erected across the center front exterior. The north and south wings will be faced with walls of sculptured basrelief.

Outside the main building, pedestrian underpasses will be tunneled under the main thoroughfare, Geneva avenue, to Santos avenue, and under the automobile entrance to the public parking area in front of the Cow Palace. A maintenance building will be added to the present storage and working area.

A covered passageway has been designed to connect the north and south exhibit buildings at the rear of the Cow Palace, so that pedestrians and animals can move to the center building under cover in inclement weather. An exterior ramp cover will also be added to the front of this facility, along with additional office space on the second floor.

Director John C. Brucato, chairman of the rentals committee, has announced that the Cow Palace has firm commitment dates for trade and exhibit shows through 1971.

Admiral Corp. Makes Move To Bayshore

The San Francisco division of Admiral Corp. will move its Northern California headquarters, sales office and distributing facilities to a new location in Crocker Industrial Park, General Manager F. D. Neer of San Francisco announced.

Work began last week on the modern and attractive 32,000 square foot structure located at 280 Valley drive in the $25,000,000 Crocker Park just south of the Cow Palace in San Mateo County. The new building will house sales offices and a warehouse which accommodates the parts and service departments and display rooms for a wide range of appliances and electronics equipment.

Admiral joins a distinguished family of national and regional firms already located in the three-year-old industrial park, including Dohrmann Hotel Supply Co., B. F. Goodrich Co., Michelin Tire Corp., Willys Sales Corp., Western Asbestos Co., The Stanley Works, Cooper Tire & Rubber Co., The Hockwald Co., The Crane Co., The A. J. Glesener Co., Inc. and the publishing firm of Holt, Rinehart and Winston, Inc.

The building will be owned by Crocker Land Co., developers of the 250-acre park, and occupied by Admiral on a long-term lease basis, according to Russell C. Jordan, industrial leasing manager for Crocker. Completion is scheduled for August 1, Jordan said.

Admiral Corp. is making the move as the result of a need for expanded and convenient facilities making possible new and modern display rooms and an expansion of the parts and service departments for greater efficiency, according to Neer. Some 35 employees will be involved in the move.

The firm's facilities are now located at 495 Beach street, San Francisco. They have been housed there for 10 years.

Lecture On Way To Freedom, Happiness

The way to gain enduring freedom and happiness will be discussed at a public lecture to be given here on Friday, May 3, by Paul K. Wavro of Jacksonville, Florida.

Wavro, a member of The Christian Science Board of Lectureship, will give a lecture entitled "How Christian Science Brings Freedom From Limitation" in the edifice of Ninth Church of Christ, Scientist, 175 Junipero Serra Blvd., San Francisco, at eight o'clock in the evening. Held under the auspices of Ninth Church, the lecture is free and no collection will be taken. The public is cordially invited to attend. Care for infants and small children will be provided.

Wavro is a native of Cleveland, Ohio. He withdrew from business in 1942 to enter the public practice of Christian Science healing. During World War II, he served as a Christian Science Wartime Minister. Actively interested in youth work, he was awarded the DeMolay Legion of Honor by the International Supreme Council Order of DeMolay.

An authorized teacher of Christian Science since 1949, Mr. Wavro is now on a nationwide lecture tour.

On September 21-22, 1961, Antonio Bertondo of Argentina became the first man to swim the English Channel round trip, taking 43 hours and 15 minutes.

Parents Visit Vista Mar Open House

More than 550 parents visited Vista Mar School on Tuesday evening to observe open house and see the academic and fine arts work of the students. Coupled with this was a presentation by the school's Glee Club under the direction of Mrs. Pat Hackett.

Parents visited classrooms and teachers during the first part of the evening, as well as the recorded material presented by Mrs. Barbara Headley, the speech therapist, who conducts speech improvement classes in the school.

On Thursday, "Classes in Action" brought more parents to the classrooms, to observe various subject matter presentation.

Individual class programs had been sent home by each teacher with the invitation to visit the school. Parents were then able to select the time and subject in which they were particularly interested, or at a time most convenient to them.

As parents visited on Thursday, they were given a "Guide to Classroom Observation" to help them evaluate their own child's reaction to the particular lesson being presented. This directed type of observation helps parents to recognize the various facets of a given learning situation. learning and child reaction to

Daly City Gets Gas Tax Funds

Detailed estimates of distribution of the proposed one cent a gallon increase in the state gas tax were given by the office of Senator Randolph Collier (D-Yreka), author of the measure already passed by the senate and waiting action by the assembly.

Under the proposal as presently written, San Mateo County, including cities, would be allocated $5,183,202 annually, a gain of $1,885,822 over the present cut from the state gas tax fund.

Daly City, according to the schedule, would receive a total of $315,155, which is a gain of $174,142 over the present allocation.

The gains, Senator Collier explained, would result from approximately 65 million dollars added money for construction of county roads and city streets. He contends the added funds are necessary to provide proper access to state highways, freeways and expressways, as well as to relieve congestion in the rapidly growing communities of California.

Under terms of the present bill, the tax, if voted at all and approved by Gov. Edmund G. Brown, would be effective October 1 of this year.

Governor Brown has expressed opposition as he promised the public no new taxes in 1963 during the campaign last year.

Savings Bonds March Totals

"Purchases of U. S. Savings Bonds in San Mateo County for March amounted to $391,865," Volunteer County Savings Bond Chairman George A. McQueen reported here today.

"March sales of Series E and H Savings Bonds in Northern California totaled $11,841,432, up approximately $1 million over March last year," his report continued, "bringing Northern California sales for the first three months of 1963 to $36,341,124, a $3 million increase over the same period last year.

"Our national Freedom Bond Drive opens May 1," the chairman reported. "Its objective during the two-month drive period will be to sell one or more extra bonds to every American family.

"Buying a bond for the Freedom Bond Drive may seem to some as a minor contribution to vital issues our nation faces today. Collectively it is far from minor; the widespread sale of Savings Bonds plays a key part in the strength of our economy, which in turn supports our defense efforts."

Score Lack of Counsel on Misdemeanor Charges

The San Mateo County Barristers Club has strongly endorsed the trend of recent United States Supreme Court rulings requiring that indigent persons charged with misdemeanor offenses be represented by counsel, appointed, if necessary, by the criminal court.

Dan R. Love III, president of the County Barristers Club, stated that while indigents charged with felonies are supplied with counsel by court appointment, no provision exists for appointed counsel where the charge, though serious, is not a felony.

"The difference between a misdemeanor and a felony," Love pointed out, "is ordinarily one of penalty and degree. However, a man's liberty is in jeopardy under a misdemeanor, and this should be sufficient in itself to warrant counsel to protect his rights."

The barristers unanimously approved resolutions that appointive counsel in misdemeanor and juvenile offenses should be compensated at least nominally, as they are in felony cases. "The caliber of defense work in this county," said Love, "is excellent. The minimal cost to the taxpayer for compensating these lawyers would be as nothing when compared with the prompt and effective administration of justice which would result."

In other business, the barristers announced their disapproval of what was termed "wholly inadequate" interview facilities at the county jail. Barristers James Tormey, Jr., and Dennis M. Bourquin stated jointly that while the sheriff's department is more than cooperative and that jailers do all they can to assist attorneys in consulting with clients, there is minimal space in which to consult privately.

Tormey and Bourquin both recited instances in which they were forced, for lack of space, to prepare criminal defenes while consulting in X-ray or fingerproof rooms.

"Privacy," they stated, "and some minimal comforts are absolutely imperative where such rights are at stake. The problem of overcrowding is great now and is obviously going to get worse."

SSF Competes for U.S. Clean-Up Award

South San Francisco will try for national recognitior again this year by competing with communities across the United States for the National Cleanest Town Achievement Award, it was announced this week by Nick Manuel, chairman of the "Operation Shipshape Citizens Committee."

The national awards, based on achievement and the degree of self-improvement in relation to seven objectives set by the National Clean-Up, Paint-Up, Fix-Up Bureau.

These are:

1—Home and community beautification;
2—Slum prevention;
3—Health and safety;
4—Juvenile decency;
5—Fire prevention;
6—Generation of civic pride;
7—Economic development.

South San Francisco will compete with other cities in Class V (25,000 to 50,000). In addition, a special award will be given to that city, regardless of population, that best exemplifies the principles of the program.

Manuel urges all residents to start thinking about what they can do now, before the campaign starts on May 20.

"I also want to stress the importance of organization participation," Manuel asserted. "Any organization that has not been personally contacted should notify me or a member of the committee of their desire to participate in this community effort.

"I am confident that with the help of all segments of the community we can surpass our efforts of last year and receive even greater recognition for South San Francisco,"

City-County Tax Exempt Deadline Set

Floyd D. Granger, San Mateo County veterans' service officer, this week reminded veterans that the deadline for filing or re-filing for city and/or county tax exemption is at hand. They have until 5 p. m. on Monday, May 6.

The veteran entitled to the exemption receives it on property amounting to $1,000 valuation so long as he doesn't hold taxable and non-taxable property with a combined value of $5,000 or more.

Under California's community property laws, a veteran can obtain the exemption on property held by him and his wife as community property if the combined totals are under $10,000 value and as long as the yeteran doesn't own property in excess of $5,000 in value.

If the veteran is filing for the exemption for the first time, says Granger, either he or his spouse must appear before the county and/or city assessor with proof of war service or especially recognized peace service. From that time on, the claims can be filed by mail.

Daly City's New Bank

Congratulations are in order to the founders of the First National Bank of Daly City, which opens for business on May 3.

The tremendous growth of San Mateo County and Daly City in particular have brought many banking facilities to the area. Hardly a month goes by but what some such institution is opening new offices in the county. These facilities are welcome, no matter what their association or origin.

But the important point about the First National Bank of Daly City is that it is a local, independent bank, and reflects the confidence that local people have in the growth and stability of this community. Such a demonstration of faith in Daly City by its own residents can only have a good effect on others who may be seeking to make investments in this community.

Bayshore Annexation

The protests last week of the Cow Palace board of directors toward the annexation of Bayshore to Daly City has stirred up a hornet's nest of civic solidarity in that community.

Bayshore residents are now vocalizing their discontent with the parking problems, odors, etc., which the Cow Palace creates at times.

"We put up with these discomforts without complaint, and now the Cow Palace board seeks to thwart the desires of 80 per cent of Bayshore residents," is their cry.

If there is anything that will stir up the public, it is the negative action of a governmental agency toward the will of that public.

Hunter and the Bear

The considerable disappointment in Washington with the way the Administration has handled the Cuban situation, is best told in the Parable of the (U.S.) Hunter and the (Russian) bear. A man goes hunting for a bear. He finally tracks one down, corners him, and raises his fine gun to shoot. He is an excellent marksman so the success of his venture seems assured. But the Bear speaks soothingly.

"Why should we have to resort to violence. Just tell me what you want, perhaps we can negotiate."

The hunter put down his gun and replied, "I want a fur coat." "Good," replied the bear, "I knew we could negotiate. You see I want a full stomach. So let us negotiate a compromise."

They sat down on a log together to negotiate and after a time the bear walked away. The negotiation was successful. The bear had a full stomach and the hunter had a fur coat.

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

The Thief . . .

The man drives into the motel. He enters the office and registers. He uses a name that is not really his, and he cleverly transposes the numbers of his license plate, so as to avoid future identification.

The man goes to his assigned room. Once there, he removes the television set and some of the bedding. He puts these things into his automobile and he drives away.

He does not pay his room rent.

The Officer . . .

The motel owner is unhappy. He complains to Officer James Sunderland, whose assignment it is to preserve the peace of the neighborhood in which the motel is located.

Sunderland registers official concern. He studies the book, and copies therefrom the license number and the name and address. Then he checks the name and address and finds that a person of this name used to live there but presently works in Nevada.

Other factors tend to point to the guilt of the man. he officers obtains a warrant for his arrest. He contacts relatives of the man, who insist upon his innocence. Through these contacts Sunderland gets the man back from Nevada.

A long interrogation, further exhaustive investigation, and it is apparent that the man named in the warrant is innocent. Sunderland is convinced. The warrant remains unserved. The man remains free. Sunderland starts over.

The Auto . . .

The officer rechecks the license number. The original registration came back to a name from out of the area, which is not unusual with automobile registrations. He transposes some license numbers and sends away for registration again.

A name of a man in Oakland is returned. Sunderland talks to this person, who is not friendly, but who drops another name. The officer has heard the name before, so he sends to CII in Sacramento for a "rap sheet" under that name.

The rap sheet returns to Daly City, and the investigator finds that this person has used the first man's name on other occasions and that it is listed as an alias of this, the real thief. Further, he finds, there is a distinguishing physical abnormality about this last person, which is readily recognizable by the victimized clerk of the motel.

The officer checks further, and finds that the thief is known to the Oakland police. Sunderland is a uniformed beat patrolman. Because this is his case, and he has worked it up to this stage, he is assigned to a detective on this day (now about two months after the theft) and the two men journey to Oakland.

In that East Bay city the officers find out all they need to know. Their thief was arrested by a citizen while pulling the same identical crime, using the same car, and having used the same alias. Their lightfingered quarry is currently on bail on the charge; they obtain addresses of their man and his relatives.

The Warrant . . .

Sunderland returns the warrant he had had for the man he proved to be innocent. He asks for and receives a warrant for the arrest of the real thief. He contacts the man's wife, who says he will surrender.

Arrangements are made, and Sunderland arrests his thief. The man is booked and printed and mugged. A tape recorder admission of his guilt is elicited from the suspect by Sunderland and the detective. The responsible then makes bail, after a court appearance date has been set.

Case Closed . . .

Officer Sunderland had finished his investigation of a routine, mundane petit theft, which is a misdemeanor. It is not the only case he worked on in that time. He does not have the advantage of Dick Tracy, who never works on more than one case at a time; he has a beat to patrol, and accidents to investigate, and kids to help across the street.

The important thing about the case is that it is, as we say above, a routine, mundane, commonplace, misdemeanor petit theft. The officer took the time to solve the problem, book the responsible—and, most important, to prove a man innocent.

Then the officer returns to his day watch patrol job, journeying over his beat, maintaining the peace and order, and arresting only guilty people.

Affairs Of State

By Henry C. MacArthur

Incorporation of the organization called the "United Republicans of California," a non-profit concern with headquarters in Santa Clara County, heralds an attemt on the part of the GOP to regain its place in the sun, via the conservative route.

The corporation is somewhat widespread. Its main office is in Santa Clara County, according to the papers filed with Secretary of State Frank M. Jordan, and the first director is Bruce V. Reagan of Pasadena, who is the defeated candidate for state controller.

Other directors listed are Mark K. Hoskins of Bakersfield and Fred Nagel of Susanville, who also is a defeated candidate for congressman. Richard Hosking of Bakersfield is the attorney who filed the papers.

Reagan, temporary chairman of the new organization, says it is not primarily a right-wing outfit, nor is it a "splinter" group breaking off from the Republican Assembly, which heretofore has had most of the say about Republican candidates, on much the same line as the California Democratic Council has dictated the Bourbon candidates for office.

Right-wing or not, the new Republican organization could bring a new aura into the Republican party in California. It at least has an organizational set-up, and from all indications, can get enough financing to perform a real job in helping get the Republicans back in the political saddle.

The new organization, it is understood, will represent that portion of the Republican party which favors the tenets of the state and federal constitutions, and which believes that the taxpayers may have a few rights left, despite the efforts of the Democrats to disburse the public trust in a "give-it-all-away" program.

It is expected the United Republicans will be in favor of adoption of the so-called "Liberty amendment," which has as its purpose the elimination of government from private business, and the eventual repeal of the federal income tax, which its sponsors claim furnishes just enough money to cover federal intrusions in private affairs, or in business which can be handled more economically by private interests.

There is no question but that the United Republicans have a big job ahead of them. However, a lot of the upcoming generation, which means the new voters coming of age every year, are strong for conservatism in government, and favor a return to constitutional government.

It may be this group on which the organization bases its hopes. The trend today and the administration both in state and national government, are liberal in the extreme. The theory appears to be to tax the producers as much as possible, then turn around and give the tax profits to the non-producers.

As the new generation plans on becoming producers, it can readily see the present activities of the Democratic administration are pointed to nothing but chaos and eventual complete socialism, with individualism little more than a forgotten age.

Pendulums have a habit of swinging if there is a gentle spring to push them along. The new Republican organization, if properly handled, might just be that spring.

Private Jack Pace Completes Basic

Marine Private Jack B. Pace, son of Frank Pace of 432 Lakeshore in Daly City, completed four weeks of individual combat training, April 5, with the Second Infantry Training Regiment at Camp Pendleton, Calif.

The training provides newly enlisted Marines with a background of experience in the field under combat conditions. Live-firing exercises are conducted, in addition to field trips and classroom lectures.

Under carefully selected instructors, the young marines learn to take their places in small fighting units, such as the four-man fire team and the 14-man squad.

Something for Everyone

By Samuel Chandler

There are seven deadly sins noted in literature as well as theology. St. Thomas Aquinas described them; Chaucer made them the subject of his Parson's Tale — Marlowe gave them life and presented them to Faustus. They appear in the Faire Queen and Dante's Inferno. Medieval men believed they entailed spiritual death, but could be atoned for by perfect penitence.

The latest chapter in the association of the seven deadlies and literature is a collection of profound yet witty essays by England's brightest literary lights.

Angus Wilson presents envy as an affection rather than a sin and invites our pity for persons who suffer from it. He writes that envy seizes its victims early, even sours the milk in baby's bottle.

Patrick Leigh Fermor thinks gluttony maintains its place as one of the seven deadlies because it makes the glutton so broad he offends the eye sight of the neighbors.

Evelyn Waugh writes that slouch in the 20th Century is manifest in the people who are "too busy to read, or cook, or take notice of the ceaseless process of spoilage on their land, or even to dress decorously while in their offices and work shops, they do less and less in quality and quantity for ever larger wages with which to pay larger taxes . . ."

Christopher Sykes wonders whether lust is a vice or a human instinct that is misunderstood. His personal views place him in the same camp as those of us who "do not love the Don Juan's whose mental and moral energy is used up in the strenuous play of seduction . . ." Such lustful people, he thinks, have an essential commonplaceness of mind that makes them dull dogs.

Anger is discussed by W. H. Auden, covetousness by Cyril Connolly, pride by Edith Sitwell.

The book, "SEVEN DEADLY SINS," is made more delightful by woodcuts of medieval characters.

Bouquets to KPIX — they have just received one of the most coveted awards in television, the George Foster Peabody Award for "distinguished achievement and meritorious public service" in area of locally produced television programming. The recognition came for the station's "San Francisco Pageant" series which is devoted to the history of Northern California. Reflecting thorough and careful research, painstaking attention to production details and showmanship, the program certainly merits the award.

The most recent programs in the series were "Lotta's Fountain" and the "Golden Age of Aviation." The series is still in production. We do hope that KPIX will repeat the past programs for those viewers who missed them. These are excellent programs to be shown in the schools. Such programs as the "Bridge Builders" and "The Innocent Fair" make history live and certainly make a lasting impression.

Tennessee Ernie Ford, whose morning program over KGO-TV, is one of the bright spots in the television day will originate two programs next week (May 13 and 14) from the main deck of the aircraft carrier USS Hancock anchored in San Francisco Bay. The program will be in celebration of National Armed Forces Week.

Ernie is busy, too, making plans for his "First Annual Ernie Ford Amateur-Celebrity Invitational golf tournament to be held at the California Golf Club on May 24. Participants will include television and movie celebrities from Hollywood, as well as local Bay Area business and civic leaders. The one-day event will be a benefit for National Aid to the Visually Handicapped.

TV DATES TO JOT DOWN: Over KRON-TV "City at Night," a portrait of San Francisco's night people (Wednesday, 6:30 p. m.) and the following Monday (May 6, 6:30 p. m.) special program covering Bay Area governments. Among the guests will be E. R. Stallings, San Mateo County manager.

"Doctors in the Courtroom" is the topic of Doctors News Conference on KTVU, May 6 at 9:15 p. m.

CALORIE SALE—The "C's" have Holy Angels Calorie Sale. Featuring cakes, cookies and coffee-cake, baked at home the "Chew and Chat" counter where coffee, hot chocolate and fresh donuts will be served at the Parish Hall, 9 a.m. to 2 p.m., along with hot coffee, cakes and home-made muffins. A mystery table will also be featured. From left are Mrs. Thomas McCarthy and Mrs. Frank Murphy, of the sale committee. Funds are for the new church.

Local Clocks Are Displayed

An outstanding display of American grandfather clocks and many beautifully carved and gilded wall clocks from Sweden will be displayed by the Golden Gate Clock House of Daly City at the Furniture Fashions Exposition at Brooks Hall, May 11-19.

S. A. Byers, in charge of the display, stated that the company will have the finest domestic and imported clocks in their exhibit.

The Golden Gate Clock House is one of the many allied lines and accessory companies with displays in the big show.

Most of the leading furniture dealers and manufacturers of the Bay Area are also entered.

Arthur Lachman, chairman of the show, says that with improved exhibit spaces, more area allotted to dealers and accessory lines and special features, it is expected that attendance will top the 150,000 mark this year.

The big home furnishings extravaganza, sponsored by the furniture industry in northern California, will be open daily and Sunday from noon until 10:30 p.m. General admission is $1.50, student tickets 75c and children under 12 are free if accompanied by an adult.

Grand prize is a 1963 Cadillac or $5,000. Tickets may be purchased in advance at a special display and ticket office at Fourth and Market Streets.

ORDINANCE NO. 576

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the city; and

WHEREAS, a petition has been filed to change the zoning of the following described properties; and

WHEREAS, all necessary proceedings, both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California, have been duly and regularly conducted; and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City require that the following change of zoning classification be established; and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to the health, safety, morals, comfort and general welfare of the City of Daly City, and is not designed for the exclusive benefit of the applicant for said zoning.

NOW, THEREFORE, Ordinance No. 294 is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to a C-1 classification from an R-3 classification.

Said property is more particularly described as follows:

Commencing for reference at the intersection of the centerline of South Mayfair Avenue with the easterly boundary of Westlake Unit No. 3B as shown on that certain Map entitled "Westlake Unit No. 3B, Daly City, San Mateo County, California," which Map was filed in the Office of the Recorder of the County of San Mateo, State of California, on October 2, 1956, in Book 46 of Maps at Page 14; running thence along said centerline of South Mayfair Avenue North 69° 42' East 264.30; leaving said centerline South 20° 18' East 175.00 feet; North 69° 42' East 1.43 feet to the POINT OF BEGINNING thence from said POINT OF BEGINNING North 69° 42' East 168.26 feet; South 20° 18' East 240.98 feet to the westerly line of 20' wide San Francisco Water Department Easement as recorded on March 3, 1930, in Book 491 of Official Records of the County of San Mateo, State of California, at Page 1; thence along said Westerly line of said Easement South 6° 37' East 5.25 feet; leaving said line North 78° 49' 40" West 196.07; North 20° 18' West 143.84 feet to the POINT OF BEGINNING.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 8th day of April, 1963.

Passed and adopted as an ordinance of the City of Daly City this 22nd day of April, 1963, by the following vote:

Frank and Ida Spadarella, Your Genial Host and Hostess When You Visit Toto's Restaurant

Toto's Restaurant and Pizzeria derive their name from Antonio Spadarella, who first established the family in the restaurant business 24 years ago (1939) in Brooklyn.

After World War II the family joined the Westward movement and opened their first San Francisco restaurant in North Beach. The fame of Toto's food spread, and in 1949 the restaurant moved into its larger quarters at 2625 Mission.

The dedication of the Spaderella family to quality and service brought fame to Toto's pizza, and its popularity soon forced the restaurant to launch home-delivery service.

To keep up with Toto's widening range of patrons Frank purchased the Juniperro Serra restaurant in 1957 to better accommodate the Daly City customers. Within three years it was necessary to expand.

The newly remodeled Toto's Restaurant, 1913 Junipero Serra, was designed by architect Donald Sandy, who incorporated traditional Italian and contemporary themes. The expanded restaurant represents an investment in excess of $150,000.00.

The enlarged dining room will now handle up to 130 patrons. The private dining room will handle parties up to 50. The added cocktail lounge, with a distinctive sunken-fireplace will seat 35.

The colorful photo-murals, Italian scenes, in the cocktail lounge and dining room were personally taken by Frank and Ida Spadarella on their recent European trip.

Both restaurants feature distinctive dishes native to individual sections of Italy. Frank, who is also an authority on pizza, carried out extensive research on preparation of these popular dishes while he was in Italy.

Toto's combined staff exceeds 45 employees on a full-time basis, and uses seven to ten part-time delivery men for home delivery service.

For take-outs, delivery or reservations, dial T-O-T-O, adding the prefix PL 6 for Daly City or VA 6 for the Mission street restaurant.

Man Into Space Is Theme at Pauline Brown School

"Putting Man Into Space" was the title of a most interesting program presented to the M. Pauline Brown PTA on Thursday evening.

Moderated by Mr. Jack Talmadge, N.A.S.A. representative from the Ames Research Laboratory at Moffett Field, and directed by Mr. Larry Anderson, sixth-grade teacher, the children presented a space centered program which consisted of projects, demonstrations and exhibits.

The following students participated: Donna Whitney, Andrea Chigos, Rosalia Guillen, Roseanne Regal, Bonnie Stewart, Elaine Makras, Marilyn Willson, Rebecca Williamson, Pat Clar, Dennis DuMont, Jill Wiard, Carol Borelli, Linda Burger, Cheryl Yochim, Brian Tinsley, Thaila Fuller, Phillip Schmuck, Ron Herwell, Bob Locke, John Fuller, Mark Winquist, Justin Rehfeld, Kelly O'Neil, Michael Silverman, Jim Laughridge, Dale Trinidad, Ralph Oncina, Gary Lau, Gary Jones, Ramona Meng, Susan Peters, Karen Anderson, Axel Bachmann, Christine Caggiano, Elaine Chiosso, Gordon Contreras, Sharon Cooper, Mark Dunn, Stephen Ehat, Maria Guillen, Allen Heskett, Sheryl Jeppson, Jason Katz, Susan Kearney, Victoria Keyes, Richard Kok, Ted Lucero, William Neri, Douglas Robertson, Nancy Roho, Phillip Schmuck, Ligia Sequeira, Howard Sublow, Barbara Widtfeldt.

Sharing the program on space was the installation of PTA officers for the 1963-64 school year. Officers installed by Mrs. Kenneth Gillespie, charter past-president, were: Mrs. Norman Gotelli, president; Mrs. Edward Del Carlo, vice-president; Mr. Donald Pagani, principal, honorary vice-president; Mrs. Charles Autsen, recording secretary.

Mrs. John McLane, corresponding secretary; Mrs. Albert Donati, treasurer; Mrs. Ellis Wiard, financial secretary; Mrs. Jerry Shain, historian; Mrs. Ray Skarlanic, historian, and Mr. Larry Anderson, parliamentarian.

Record Crowds At Cow Palace

A record-breaking one-and-three-quarter million people brought attendance figures to a new high at the Cow Palace for the year ending April 15, 1963, according to Fred P. Cox, president of the board of directors.

Cox also revealed that a quarter of a million cars were clocked into the parking lot during the same period. Tabulations cover 26 different kinds of events and 159 show days, which took place during 1962-1963.

Based on a projected estimate, Cow Palace officials are preparing to welcome some 1,800,000 visitors to the gigantic livestock and exposition-convention buildings during 1963.

"The Cow Palace is becoming an increasingly valuable facility in regard to the varieties of events and sizes of audiences to which it is capable of catering. We look forward with great anticipation to the start of our proposed $3,044,564 expansion program, which will provide much-needed space and make the Cow Palace the largest facility of its kind west of Chicago," stated Cox.

Want to Adopt a Child?

No couple who looks forward to raising a family need be denied the joys of parenthood. Today, childless couples look to adoption to fulfill their innate yearnings.

How do you go about adopting a child? A phone call to an apoption agency like Children's Home Society of California starts the wheels in motion. (Offices of the society may be found in Oakland at 3200 Telegraph avenue, OLympic 5-7406, or in San Francisco at 25 Van Ness avenue, UNderhill 1-9959.)

Many questions, doubts and perhaps fears are to be answered and placated in the minds of the prospective adoptive couple. Do we have to have a large bank account? Do we have to own our own home? Do we have to be college graduates? As far as the Children's Home Society is concerned — and it has been serving California communities for the past 72 years — a couple does not have to meet any fixed qualifications as to income, occupation, education, housing or social status.

A happy marriage, good health, emotional stability, love for children are the primary qualifications for any couple anticipating adoption. These are the qualities that spell successful parenthood, qualities that ensure a successful adoption.

The first meeting of the agency with the couple usually takes place at a group meeting held at the offices of the society. Here at the group meeting, other couples interested in adoption gather. They are told of the procedures and policies governing adoption. They are encouraged to ask questions. They get answers to their questions. And they can begin to evaluate their true feelings and inner motivations about adoption.

The group meetings serve to strengthen desires for adoption on the part of most couples.

A personal interview is arranged with one of the skilled social workers at the Children's Home Society. The case worker and the prospective adoptive parents are to have several meetings following the first. During the period of family study, meetings are arranged by appointment only, both in the home of the couple and in the offices of the Children's Home Society.

Once the adoption procedure is underway, couples begin to wonder how long it will be before they "get a child of their own." The careful process of family study and finding the right child for the right couple is completed within a six to nine month period. Many placements are made in a shorter period of time. Today, with more and more babies coming to the agency for placement, the wait is minimal compared with even five years ago.

Physicians, attorneys, psychologists and social workers all participate in the studies and planning leading up to an adoption. Each contributes his specialized knowledge to assure the happiest future for the child and his "parents for keeps."

Couples who adopt children through licensed agencies have the assurance of a legally sound adoption in a confidential manner. They have the peace of mind that results from knowing that the decision to place the child in an adoptive home was made by the natural parents only after careful consideration, and that the baby is legally free to be adopted. They are aware that the natural parents had the benefit of professional counselling in arranging a plan that seemed in the best interest of both the child and the parents. The decision is sound and final. Adoptive parents and the natural parents are protected from having to know each other.

Most babies finding happy permanent adoptive homes today are from two weeks to two months old. There are older children for whom the agency seeks homes, as well as children who need special parents to help them with certain handicaps.

Everyone interested in the welfare and happiness of children are invited to become members of Children's Home Society headquarters at 3200 Telegraph avenue, Oakland, during this special "Mother's Day Membership Appeal."

Gift memberships honoring mothers will be inscribed in the society's honor roll, and gift cards mailed to recipients if they are received no later than Monday, May 6.

Information may be obtained in the Westlake area from Mrs. Lawrence McDonnell at PLaza 5-1710.

Premier Performance By American Compos

The premiere performance of a composition by Roy Harris, preeminent American composer, will be introduced to Bay region music-lovers at a concert Monday, May 6, in San Francisco State College's main auditorium at 8:30 p.m. The composer and his wife, Johanna, who will solo on the piano, will be present for the initial playing of the scheduled "Folk Fantasy for Festivals."

Westmoor High School Teacher Receives Grant

Dexter F. Leland, 241 Willow avenue, Millbrae, Westmoor High School teacher, is among the 50 secondary school teachers from 12 of the Western states who have been awarded all-expense fellowships to attend the third annual Summer Fellowship Program in Economics at Claremont, California, June 24 to August 2, it was announced recently.

Sponsored by Claremont Graduate School and University Center and Claremont Men's College, in co-operation with the General Electric Foundation, the program is aimed at junior and senior high school teachers in social studies and related areas to equip them with a better understanding of the American economic system, its history, and how it works in practice as well as in theory.

Dental Assn. Dance Set at Stonestown

More than 130 persons are expected to attend the affair, which will begin at 7 p.m.

Troop 84 Sponsors Light Bulb Sale

Has your home been accident-free during the past six months?

In all probability, the main reason for this accomplishment is because you had adequate lighting throughout your home. In order that you may keep your home accident-free over the next six months, the Boy Scouts of Troop 84 would like to have you check your light bulb supply when they will canvass the St. Francis Heights, Westlake, Broadmoor Village area this Saturday, May 4.

Nearly every size and type of light bulb will be sold. Every Scout will be vying with each other to see who can sell the most light bulbs.

Proceeds from the sale will be used for various troop activities and for defraying expenses of troop sponsored camping trips.

As every Scout knows, the Boy Scout motto is "Be Prepared," and in keeping with this motto and spirit, the Boy Scouts of Troop 84 are anxious that all home owners be prepared for all emergencies—especially lighting emergencies—by stocking an adequate supply of light bulbs on May 4.
